

Discussion Books

The Boo Boo Kitty Series

Right now, two of the six Boo Boo Kitty books are available for sale at Dorrance Publishing and at other national retail outlets. They are *Meet Boo Boo Kitty!* and *The Misadventures of Boo Boo Kitty!* The third book — *Boo Boo Kitty Goes to the Mountains* — will be out in mid-2024.

The six books in the Boo Boo Kitty series are intended to be **discussion books**, where kids or adults read the books together and discuss all sorts of important topics like faith, family values, and feelings, to name a few.

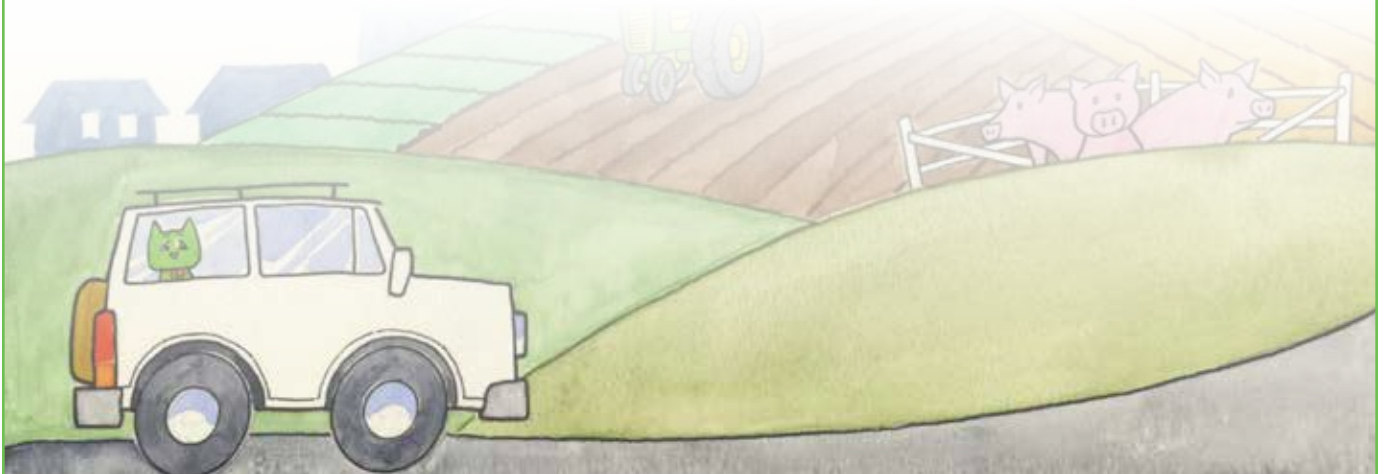

The entire book can be read in a few minutes and the discussions can occur after that, or the discussions can occur after each page ... it's your choice.

These discussions can take place in the family room at home, in the classroom at school, or in a small group setting at church.

Check out the next page for some **Meet Boo Boo Kitty!** starter questions to engage young minds.

Enjoy your conversations and grow with God!
