BE PART OF LAMDA EXAMINATIONS

“LAMDA EXAMS ARE SUCH A GREAT WAY FOR A PERSON TO DEVELOP CONFIDENCE, PERFORMANCE SKILLS AND GAIN A SENSE OF ACHEIVEMENT.”
TEACHER, 2018

AS A LEARNER (OR PARENT)
Typically Learners work with their Teacher to choose the LAMDA examination or Qualification they would like to take, decide the grade that’s right for them and prepare for the exam. You can find a Teacher in your area using the directory on our website. Learners are also free to prepare for exams without the assistance of a Teacher. In that instance, Learners can then take their exam at one of our public centres.

AS A TEACHER
All Teachers are strongly advised to obtain copies of our current syllabi and become very familiar with the requirements.
Free downloadable support material is available online or call the syllabus team for more information.

AS AN EXAMINER
LAMDA Examiners are experts in their field and have been trained and standardised by LAMDA to assess Learners fairly and objectively. As the popularity of our examinations and Qualifications continue to grow, we are always keen to hear from prospective Examiners.

If you think you have what it takes, please get in touch with us to enquire about our rigorous training programme and opportunities.

OUTSIDE THE UK
LAMDA Examiners assess over 14,000 Learners each year at international private and public centres. To find out if we hold examinations near you, or to discuss the possibility of setting up an international centre, please visit our website or get in touch with us directly.
