Re: ATRP2-58-2023-350
Intersection Improvements on SR-25 (US-411) at Washington Drive/Verbena Drive, Including
Left/Right Turn Lanes and New Traffic Signal
City of Moody

To Whom It May Concern:

The above referenced project includes intersection improvements to the intersection of SR-25 (US-411) at Washington Drive and Verbena Drive. The implementation of these improvements may require temporary disruption to traffic entering your subdivision. A map indicating the proposed improvements is attached to this letter.

Also attached is a comment sheet that must be received by November 7, 2024. The Alabama Department of Transportation, as well as the City of Moody, is interested in the potential social, economic and environmental effects of this project. Any comments that you have will be considered during the environmental study and plan development.

If you have any questions, you may contact me at (205) 640-0302.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tracy L. Patterson".

Tracy L. Patterson
