Ca. No. 1:15-cr-00212-SM

PETITION TO VACATE CONVICTION HABEAS CORPUS

Now comes the defendant in error, Edward McLarnon, a living soul man pursuant to the de jure united States Constitution for the united states of America, 2nd 4th, 5th, 6th, and 8th, Amendments, an American state citizen of the Commonwealth of Massachusetts. He also invokes District court Rules 29, 60 (b)(3), (b)(4), (d)(3) and Rule 28 as evidence has come to light that false and misleading facts, evidence and a total erroneous application of 26 USC 5861(d) was mis applied in contravention of the 2nd Amendment, **U.S. v. Henderson**, New Hampshire statute NHRS 159:14 violating and the 10th Amendment. Fraud and deceit by the Federal Government deceived this court as seen in the supporting memo. The Federal Breau of Prisons has failed to comply with 18 USC §§3582 and 4205(g) properly implementing FBOP Program Statement 5050.50 for a compassionate Release granted by the Warden but denied by the FBOP due to failure to update 5050.50. Several Agencies of the U.S. Government have conspired to violated defendant's Constitutional rights thereby violating 28 USC § 241, and 242. In light of the recent decision and clarification of 2nd Amendment rights, the Federal Government has no subject matter jurisdiction or personal jurisdiction over a Massachusetts state citizen hence jurisdiction is herein challenged and invokes Rule 28.

Respectfully Submitted,
