**A BIG THANK YOU FOR OUR FUNDRAISERS**

A lot of credit goes to Sheri Walls, Karen Greeley and their faithful helper, Ray Snedeker, for their fund raising efforts through equipment sales. Most recently, they collected a large donation from a retired weaver that required deep cleaning, sorting and pricing. Sheri was able to sell the most prized item, a Baby Wolf Loom, within hours after posting it raising \$2800 for the museum. They have put a lot of time and effort into this project and deserve a great deal of thanks for their support of the museum.
