

**THE  
TRAIL  
'79-'80**

# DEDICATION

This year the staff and students take pleasure in dedicating our Year Book to Pat Kennedy. Pat is our only original driver this year. The students find Pat as kind, cheerful and helpful as the students did in 1965.

Pat has made many extra runs for our area such as kindergarten, late high school runs and field trips. This makes it impossible to come up with an accurate figure for the miles driven.

In many cases Pat has driven entire families of students from grade one through grade eight and on into high school on the late runs.

His perfect driving record has given parents confidence in Pat's ability to get their children to and from school safely regardless of the driving conditions.

Pat, we wish you many more successful years of transporting our students to and from Escott School.

A Message from the Director of Education

I am pleased to greet the pupils at Escott Public School via this note in "The Trail 79 - 80". Your participation in school activities will be recorded in this book and you will read it with increasing interest in future years.

Sometimes the importance of the events recorded at the end of a school year escapes us as we read. Let me assure you that the value of your educational experience cannot be measured in dollars and cannot be recorded in pictures or words. You are partners in a lifelong business which is only partially developed in these many experiences at Escott Public School. Your parents and your teachers are important partners with you in this process. Together you have achieved measures of success of which you can be proud. Your personal interest and enthusiasm will assure you of continuing satisfaction.

To the pupils graduating from Escott this year I would like to offer an introduction to the new partners and experiences which lie ahead of you in secondary school. "The Trail 79 - 80" will be a reminder of happy days past while you make your mark on those new trails.

# PRINCIPAL'S MESSAGE

My first year as principal of Escott Township Public School has been an enjoyable and rewarding experience. As a newcomer, I have had to play the role of a learner. Learning about the community, the students, the staff and the school programmes has taken up most of my time.

The support and co-operation of the staff has been fantastic. Every new season brings a different kind of activity and without the advice and co-operation of the staff, many "regular" happenings would have been overlooked.

I have enjoyed the students this year. Their acceptance of our first Vietnamese refugee, their basic courtesy and behaviour are symptoms of a really nice bunch of kids who enjoy school and each other.

A special "thank you" must go to the graduates. Their willingness to do "chores", help the staff and show leadership to the younger students makes them a pleasure to have in the school. I wish them the very best in the years ahead and I am proud to have known and worked with them.

# STAFF

As September of '79 drew near  
 There were many changes we did fear.  
 Two teachers working in one room  
 Sent some parents in a gloom.  
 And into the office came a new man  
 Joining our staff, to lead the clan.  
 A different librarian in Room 2...  
 Another new face, what would we do?  
 Miss Mustard was unhappy, Miss Mustard was sad,  
 From grade 3 to grade 1; she felt awfully bad.  
 And to add to the changes, there was one more.  
 A part-time teacher would walk through the door.  
 So with many a worry and many a doubt  
 We started the year, how WOULD we make out?  
 But now the year is almost done  
 And we look back, enjoying the fun.  
 Mr. Boyd, the new man in our crowd  
 Will be remembered for singing out loud.  
 Mrs. Graveline, each morning, full of good cheer,  
 By those in Room 7, was thought very dear.  
 And then, in the afternoon came Mrs. Roy,  
 Entering the classroom, spreading more joy.  
 With all this joy and happiness too,  
 What could the parents say or do?  
 Miss Mustard found the change almost as good as a rest,  
 The switch in her grade turned out for the best.  
 Ever so helpful, a good reader, Rosemary,  
 Miss Phillips looked after our Public Library.  
 While in the morning teaching French her way  
 Was Mrs. Wells, "Bonjouring" each day.  
 Mrs. Witzke, for remedial, a part of the day  
 Helped kids to read. She liked it that way.  
 Another addition, 'twas at first very weird,  
 Mr. Melrose, this year, was wearing a beard!  
 And Mr. Haskin, never to be outdone  
 Grew a moustache - a cute little one!  
 The man known as "Kojak", Mr. Winslow, you know,  
 Still has the same problem - his hair will not grow!  
 Mrs. Landon got a new camera this year.  
 You had to be careful when she was near.  
 Of course, Mrs. Mallory continued her aid.  
 Oh my, how she worked! She deserved to be paid.  
 Cleaning up our mess and mud and snow,  
 Was Mr. Kahnt, a great guy to know.  
 And in the office answering the phone,  
 Mrs. Hunt typed, when she was alone.  
 And since June has come at last,  
 Another great year is in the past.

## P.T.O.

It has been my honour and privilege to preside over the Parent-Teacher Organization during this past year, and to work closely with the other members of the school body. We all have acquired invaluable experience in exploring principles of leadership and co-operation.

A Yearbook is one of the finest contributions that a student body can make to a school. I congratulate the Yearbook Committee for their splendid effort, and all those who played any part in the production of this book. Your contributions, large or small, do not go unnoticed. It was a task well performed.

## INTRODUCING ROOM 7

A nice Boy from Waterton is Tim Hunt,  
And his side kick Paul a wee little runt,  
From Rock port comes Troy, a likeable boy  
Then next is Faye, a girl of joy  
Tracy, Maggie and Lauren, all three  
Are girls who work very diligently.  
Glenn Haarbos, Glen Hunt and Andy, they  
Quietly talk a lot all day, say  
Dianna and Mary like to talk  
With Goalie Mike they often squawk.  
Next Comes Mark who sings like a lark  
With Sherri he might like to be in the  
Sitting together are Mary and Billy dark.  
Not very oft do they act silly.  
Scott and Mike, the convoy club  
Can create quite a hub-bub.  
Sharon and Delores roam around  
Often times without a sound,  
Sharon the red baron works so hard  
And Glen Lancaster likes to hear  
Misty Hunt learned to skate this year  
She glides along without any fear  
Mean Mrs. Graveline teaches us to read  
From her at noon we all are freed,  
Now Mrs. Roy comes after lunch,  
For math and gym with this wild bunch!

If you come to a kernel half eaten, stay where you are! I like it because the first one to get to the Golden egg wins.

Lansdownne Fair art was judged in June at Escott Public School. Only winning art was posted at the fairgrounds on the first day of the fair, due to lack of space. All children from kindergarten to grade eight participated in five categories and won ribbons: first to sixth in Arts and Crafts and first to fourth in Murals. Fire Prevention and Milk Posters were two other categories. Fire Prevention Posters were about fire safety in and around farm buildings. The Milk Poster theme was "Why We Should Use More Dairy Products". The prizes were from \$9 to \$1. Escott Public School has always done well in the past and 1979 was no exception.

Winter Wake-Up Week this year was held from Feb. 4 to the 8.

## Monday

This was Hero Day, when the students were to dress as their favorite hero. This day was also for the Snow-King, Queen, Prince, Princess to be awarded. The Royal Family wasn't decided by secret ballot, but by having the contestants go out and work for people and raise money for Springfield House, the future library. On Monday morning each person's amount was totaled. The King was Donald Ferguson the Queen was Brenda Jobson the Princesses were Paula Jobson and Lorri Salter. That afternoon there was a dance in honour of the Royal Family.

## Tuesday

This was backwards day when clothes could be worn backwards or you could

dress as the opposite sex. Mr. Haskin had a Sing a Song Contest, for anyone who composed a song and sung it in front of the school. The lucky winners of seven dollars were Paula Jobson and Tammy Hunt who sang "The Lady" to the tune "The Gambler".

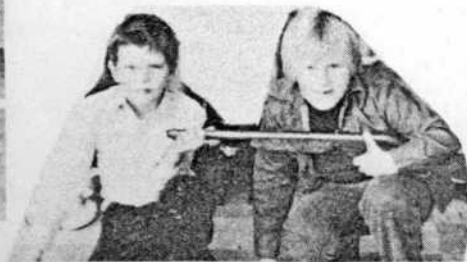

## Wednesday

This was Hat and Hair Day with outrageous hairdos and wacky hats. Mr. Haskin's girls played Mr. Melrose's girls in a game of hockey. Mr. Haskin's girls won. The boys had done the same and Mr. Haskin's boys won.

## Thursday

This was Career Day. Everyone was asked to dress as what they wanted to be when they grew up. That afternoon the school went to the Athens skating arena to skate.

Jill Picton

Music  
Mr. Haskin comes in to do Music with us. Sometimes he uses his guitar and sometimes the record player. Louis likes the record player better.

Tim and I

Tim and I had a birthday party Friday. We iced our own cakes. They tasted good. After they were cooked we ate them. We lit the candles to blow them out. Tim blew out a candle on my cake. Then we ate the cakes. The cakes were chocolate and white.

Jimmy John Mack

Making Jam

Kirk, Jeff and Timmy skinned the grapes. Then we ground the grapes. We had to cook them. We had to put them in the jars. Then we ate some jam. We sold the jam. Our class had made the jam. Our class got the money.

Edie Johnston

Hallowe'en

On Hallowe'en we had our pictures taken in our room. We were dressed in our costumes, then we had a party. The winners got their pictures taken in the gym. The costumes were judged at noon and the prizes were a drink and a bag of chips. Then at 1:45 there was a Hallowe'en dance. Some people were dressed up. It was very good.

Tim Horton

# -TUESDAY- BACKWARDS DAY

## ORIGINAL SONG CONTEST

As part of the Winter Wake-up Week celebrations we had a Sing-a-Song Contest. The children were to pick a well-known tune and simply make up their own words. They would then sing it in front of the school. Approximately twenty students entered.

The winners received \$7.00 and all the participants received a 25¢ bag of chips.

Tammy Hunt and Paula Jobson won the \$7.00 singing a duet called "The Lady", to the tune of "The Gambler". Honourable mention went to Paul La Sha singing to the tune of "Heaven's Just a Sin Away".

Winter Wake-Up Week was concluded with a dance from 1:45-3:05. The week was extremely successful and thoroughly enjoyed by all the students.

Jill Picton

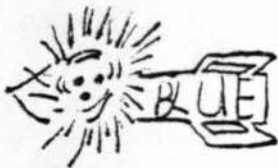

I liked the games because we had fun playing the games with our friends and one more think I liked was the dance.  
Sherri Moore

On Winter Wake-Up Week I liked the waltz dances. I brought my sister's memory game. All you have to do is put nine cards in 12 rows upside down. Then you pick the cards. It's fun!  
Maggie McKiel

What I liked about Winter Wake-Up Week is that I like dances, Wednesday. Games Day there were records and games. On Thursday, what I liked best was skating in Athens. There was a big rink with music and a canteen. I enjoyed Winter Wake - Up Week.  
Lauren Leeder

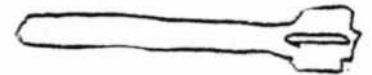

A number of intramural sports have been played by the students of Escott this year. Teams were selected by a drafting procedure (for each sport) which was a successful venture.
