About How Many Strokes

The solution

References

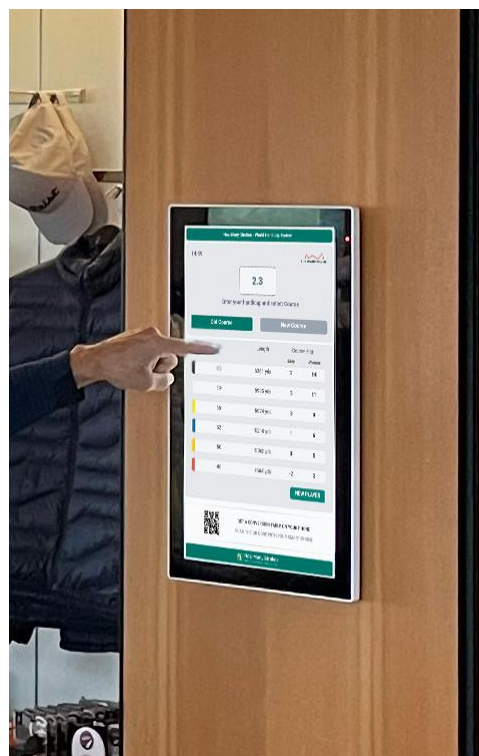

How Many Strokes

Create a better golf experience

Danish company based in Copenhagen

- Creating tools for and **with golf clubs**
- Through modern technology and design
- With focus on quality and user experience

Terminals

21-inch

Desk display or wall-mount

32-inch

Wall-mount or stand

Digital Info Board

Including:

- Daily Course Update
- General Club Information & Services
- Digital Hcp Conversion Table

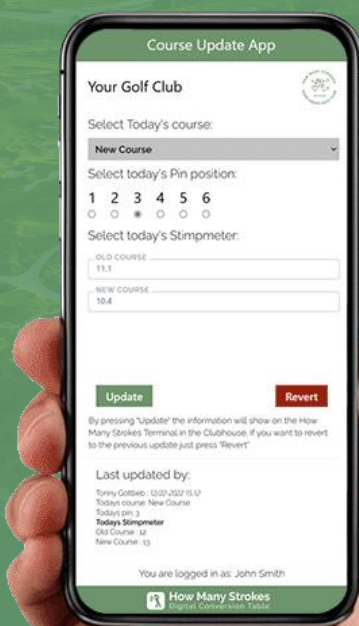

The solution can easily be customized to your Golf Club

Daily Course Update

Show your Players:

- Live weather and sunset
- Clubhouse Closing
- Daily Green Speed
- Lift, clean and place
- And more...

Easy to update remotely
in the Course Update App

General Club Info & Services

Players get access to:

- Greenfee payment
- Men's, Lady's and Junior's club info
- Pinsheet
- Match calendar
- And more...

We integrate to almost any
of your existing systems

Digital Hcp Conversion Table

Club house edition terminal

- One view with all your conversion tables
- Recommended Tee
- Great user experience
- All members and **guest** can use the system
- Easy to mount and **maintain**
- Modern solution and design
- Saves space and paper
- **Displays promotions and ads** when not in use
- Based on the new World Handicap System

Digital Hcp Conversion Table

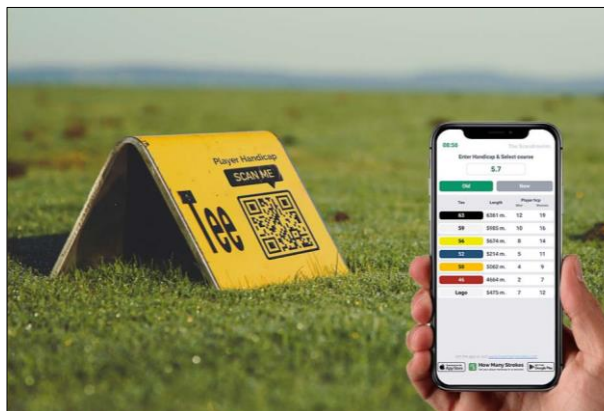

QR-code graphic file

- Can be displayed on almost anything:
Stickers, Tee box, Plates, Stones, **Scorecards**,
Course guides, Starter house etc.
- Players simply point their camera at the QR code
- All members and guest can use the system
- One view with all your conversion tables
- Not an App, instant access
- **Changes to slope and rating happens instantly**

The Scandinavian

Copenhagen, Denmark

"We had a nice way of presenting the information before. We had a traditional presentation with ten framed tables on the wall. But **I prefer How Many Strokes**. In a way, it is exactly the same service we provide for our guests and members. But now it is provided in a contemporary way. It's much cooler and more modern.

David Shepherd,
CEO

The Bay Course

Costa Navarino

Messinia, Greece

“The How Many Strokes solution has been very well received by the players. They feel it is a sophisticated but still very easy way to get their course handicap. The solution is also easy to use for the staff, when making changes.”

“I would recommend the solution to any golf club wishing a modern image.”

 CEO at The Scandinavian 9mo ...

We are proud to be one of the first customers of How Many Strokes. Our members love technology and this method is so much simpler and cleaner than a big conversion table plastered on the side of the clubhouse / starters hut.
