Since we started in 2015, we have focused on three main areas of support. Here is how we've impacted the community so far ...

# New Teacher Welcome

Every year, Georgetown Education Foundation dedicates funds to help new teachers have the necessary funds to get started right in our community. We provided gift cards for much-needed classroom supplies, as well as a welcome to GSD ceremony and fun scavenger hunts so they can get to know the community.

# State of the District

A plated lunch & student performances underscore this event, which informs & educates about the current status of GSD, as well as future plans.

# Innovative Teacher Grants

Our greatest achievement all year is the number of grants we are able to award deserving teachers with innovative classroom instruction ideas. Each teacher is responsible for submitting for a grant that will support their unique idea to drive learning forward.

# 50 Fellas Foodfest

As our biggest fundraiser, 50Fellas Foodfest brings the community together to cook, serve and sponsor during this fantastic tasting event. Funds raised go directly to teacher grants and other support.
