

**Resolution in Honor of Ardon Alger
On His Passing**

Whereas Ardon Alger served the students and faculty of Chaffey College for five decades with integrity, creativity, and courage; and,

Whereas he was a caring mentor to his students and colleagues, both faculty and classified professionals; and,

Whereas his service to Faculty Senate for two decades was unprecedented, creating a safe haven where every faculty voice was valued; and,

Whereas he embodied the passion for excellence and service he inspired in others; and,

Whereas his wife and daughter graciously shared him with the College throughout his adult life; and,

Whereas we are now bereft of his wisdom, his kindness, and his presence; and,

Whereas he left us far too soon;

Resolved, that his friends at Chaffey College honor his memory, carry on his legacy, and ensure that his sacrifices were not in vain; and,

Resolved, that his family find comfort in knowing that his life touched countless others; and,

Resolved, that his friends' deepest wish is that his family know his abiding love continues to embrace them.
