Urban Farming Oasis

Definitely not a drive-by. The instant you step inside this peaceful 5brm home you are transported into a private urban farm that has the warmth and charm of times past combined with tasteful industrial modern features. Designed as an entertainer's dream, spaces flow through expansive rooms into a quiet backyard oasis with lush gardens, pool, jacuzzi & sauna. Unbeatable location, near skiing, golfing, biking, hiking, beaches +walk to shops, library, community ctr & St Pius and Dorothy Lynas School. Loads of brms & storage, energy efficient, built solid with logs harvested from the property & placed on a concrete foundation. Newer furnace, hot water tank and custom open concept kitchen with loads of cabinets. Mstr Brm could possibly be its own suite. One of a kind piece of natural history.
