## Exceptional service. Trust Oliver's.

Planning an event of any type is a personal affair. There is often a sense of achievement and pride when you finally see things come together on the day, though for most, this is a collaborative effort which involves various suppliers. Choosing a supplier in which you trust to deliver outstanding service at an event you've invested so much into can be a daunting process.

The relationships we build with our client's are extremely important to us, as we understand the level of trust required to put your faith in the hands of suppliers to make your event special. To cater to the unique requirements of your occasion and treat each of your guests with the utmost care is something we pay special attention to.

Our business was founded with a mission to deliver an unrivalled level of service to our customers while sharing our love for the industry, something we know your guests will appreciate.

For exceptional service, trust Oliver's

## Your perfect service, made simple.

Choice is a great thing, essential for tailoring services to the unique requirements of your event, but where do you start? At Oliver's we have relied on our experience and customer feedback to simplify our service options and provide guidance to build your perfect package.

We have categorised our services into four distinct options; Mobile Bar Service, Wedding Bar Service, Wedding Drinks Packages and Dry Hire. Each can be tailored to create a bespoke package for your event.

This guide serves as broad outline of the services we offer and is intended as a starting point for building your package. Once you are ready to secure your booking date, our team will arrange a personal consultation to discuss your preferences in detail and ensure that your service is perfectly aligned with the requirements of your event and budget.

Oliver's make your perfect service, simple.
