

# YES FOR CONTRACTORS

Don't let permits slow you down.

Whether it's a fence, deck, pool, or commercial upfit, permitting can eat your time and delay your projects. YES takes that off your plate. We handle the forms, follow-ups, and red tape so you can stay focused on the job site.

We get the approvals, you get to work. Simple as that.

## WHY PARTNER WITH YES?

- Avoid permit delays that throw off your schedule
- Keep crews working instead of waiting on approvals.
- Save time chasing paperwork
- Impress clients with smooth, turnkey execution

## WHAT YOU'LL GET

Permit prep, submission, and tracking handled for you

Support for residential and non-residential permitting

Coordination with local staff

Support for fences, decks, pools, upfits, signage, and more

Flat fees based on the project. No fluff, no black holes

A trusted partner that makes you look good
