

Approvals are bottlenecks. We break them open.

YES plugs into your team to accelerate entitlements, protect your build schedule, and reduce preconstruction drag. Bring YES on-board as your strategic guide that keeps deals moving.

From LOI to permit, we help you close faster and build sooner

WHY PARTNER WITH YES?

- Entitlements are complex - we make them clear and manageable.
- Win land deals with faster due diligence and political insight
- Free up your staff to focus on development and construction, not coordination
- Avoid costly delays, reworks, and permitting chaos

WHAT YOU'LL GET

Dedicated Entitlement expert on your team

Strategic guidance from zoning to final site permit

Rezoning, site plan, and site permitting coordination

Go/No-Go support for land offers and LOIs

Representation at meetings with staff and appointed and elected boards

Predicable billing - no surprises
