Important Notes:

- Cell Phones should be left at home. If they are brought to camp, we will kindly request that they be locked up in the nurse’s cabin. This is for the enjoyment of all participants.
- Bring clothing that can and will get dirty. Make sure the camper’s name is clearly written on all personal items. This is important to make sure all of your items return home with you, plus keeps our valued attention with your camper and not on their gear.
- ***We are not responsible for lost, stolen or damaged items.***
