2. **All participants** MUST pass breathalyzer testing prior to participation. NWSRA maintains a 0 tolerance policy for participants. All drivers and observers, in addition to skiers in the first set of races must pass during the registration period (prior to 8:30am) each day. Skiers in the later set of races will have an additional opportunity during the lunch break. These will be the only 2 opportunities.

4. Races will be run on a circle / sprint race course approximately 2 miles in length.
5. There will be 2 Rounds for each class over the course of the weekend. All skiers must complete all the laps on Saturday. Race officials may choose to flag in finishers on Sunday if overall placing is not impacted.
6. Pole positions will be drawn for Saturday and reversed for Sunday.
7. Heat races and finals or starting flights MAY be run as necessary depending on entries (including boat / observer conflicts) and course restrictions.
