## **Definitions:**

**General Technical Development Group:** This group can include any competitive swimmers in the Province, no matter what their experience or skill level. Ideally, we are reaching swimmers 10-12 whose regular training schedule allows for additional technical sessions; however, in some programs, it will include older and younger swimmers as well. These swimmers will be reached through large group sessions held in various locations around the province in drop-in sessions.

**Advanced Development Group:** Females born 2012 or later and males born 2012 or later, meeting selection criteria, focused on development in line with the Canada Games cycle.

**Junior Provincial Team:** Females and Males meeting selection criteria. Application forms will be required from parents. The applicable age for participants will be adjusted throughout the 4-year training cycle.

**Senior Provincial Team:** Females or Males in high school who are not eligible for the junior team must be fully committed to a minimum of a 10-month training program. Application forms will be required, with coaches verifying commitment.

**ADT Camps:** Easter and Summer- 4 pool sessions and a social event. Further information for this Development program will be provided at a later date.

**PEI Atlantic Prospects Training Camp:** May 8-10, 2026. This is a new event to provide exposure to training with different swimmers and coaches geared to swimmers ages 15-17 (in high school). The camp will be coached by selected coaches from the Atlantic provinces and a guest coach from Swimming Canada. 8 swimmers will be selected, choosing first those who are nationally qualified and then rolling down through the highest qualified/ranked swimmers
