## Meat Draw Options

As promised, here are the top three suggestions for how our meat draw should be conducted.

- 1) \$10.00 per ticket buy in at the beginning, prorated for each remaining draw. (essentially \$1.00 per draw)
- 2) \$10.00 per ticket regardless of when the buyer purchases the ticket.
- 3) \$10.00 per ticket for draws 1 through 5, \$5.00 per ticket for draws 6 through 10

My opinion, as president, is that it should be \$10.00 per ticket. My reasoning: It's easier for our volunteers to manage. It's fair for all people. It's not an unreasonable price for a chance to win one of 10 \$30.00 (+/-) packages of meat, not to mention the bacon and eggs bonuses. However, the final decision will be made by the members at the General Meeting on April 21.

In Comradeship,  
Robert
