Looking for Volunteers to help with 75 & 100th Celebration. Sign up sheets in the Lounge

Does ice cream lift your spirits? 🍦

During the First and Second World Wars, it did more than satisfy a sweet tooth; ice cream boosted morale for troops serving far from home.

As early as the First World War, military leaders recognized that familiar comforts could make a difference. By the Second World War, this frozen favourite had become a full-fledged morale strategy.

A simple scoop brought reminders of the comforts of home and a sense of normalcy during long deployments. It sparked memories, reduced stress, and built camaraderie among troops facing the hardships of war.

The next time you enjoy a cone, remember that for Canada's wartime troops, ice cream was more than frozen delight, it was a symbol of comfort, resilience, and hope.

NO PRESSURE, JUST GOOD GAMES AND GREAT COMPANY!

- What do you call an elephant in Antarctica? Lost.
- Why do birds fly south for the winter? It is too far to walk.
- What do you get when you cross a snowman and a vampire? Frostbite.
- I used to play piano by ear, but now I use my hands.
- What did the duck say when he bought lipstick? A: "Put it on my bill."
- Q: Why did the witches' team lose the baseball game? A: Their bats flew away.
