Service Officer

Shout out to all Ordinary members, just a quick post to introduce myself as the new Branch Service Officer, for those that don't know me my name is Gord Morrison , I proudly served our great country for 38 years. And now look forward to serving you and all veterans in our area.

The Legion does lots of good things but the thing it does best is assist Veterans who need a hand up or assistance in navigating the bureaucracy of Veterans Affairs . One of the biggest hurdles we all face is accepting the fact that we need assistance (trust me , I am the biggest procrastinator) , we all suffered injuries while serving and most likely ignored them or Soldiered On because that is what we did. So I plead with you to reach out, filling out a few forms is pretty painless, let the Legion do what it does best.

Your Branch hosts Veterans coffee once a month on the last Sunday from 1400 to 1600 hrs

This time of year is especially trying for lots of us and I would plead with you if you are aware of someone who is struggling, reach out to them and let them know they are not alone .

Before the Second World War, Canadian women could only serve in the military as nurses. When the Second World War erupted, women in uniform were offered new roles.

When the Second World War erupted, women in uniform were offered new roles.

On 3 February, 1942, the Canadian Women's Auxiliary Air Force was officially renamed the Royal Canadian Air Force (Women's Division). This move solidified the importance of women's contributions in our military.

More than 17,000 women served in the RCAF(WD) during the conflict, carrying out a range of non-combat roles.

Do you know a woman who served with the Royal Canadian Air Force? Tell us about them below. 🙋
