Service Officer

Shout out to all Ordinary members, just a quick post to introduce myself as the new Branch Service Officer, for those that don't know me my name is Gord Morrison , I proudly served our great country for 38 years. And now look forward to serving you and all veterans in our area.

The Legion does lots of good things but the thing it does best is assist Veterans who need a hand up or assistance in navigating the bureaucracy of Veterans Affairs . One of the biggest hurdles we all face is accepting the fact that we need assistance (trust me , I am the biggest procrastinator) , we all suffered injuries while serving and most likely ignored them or Soldiered On because that is what we did. So I plead with you to reach out, filling out a few forms is pretty painless, let the Legion do what it does best.

Your Branch hosts Veterans coffee once a month on the last Sunday from 1400 to 1600 hrs

This time of year is especially trying for lots of us and I would plead with you if you are aware of someone who is struggling, reach out to them and let them know they are not alone .

In Flanders Fields”
It was 105 years ago today that the Canadian soldier who wrote this famous poem died from pneumonia and meningitis.
Lieutenant-Colonel John McCrae, a doctor and teacher, served in both the South African War and First World War.
He rose to prominence after his poem was first published in England’s Punch magazine and it came to symbolize the sacrifices of those fighting in the First World War.

Most people are at the age where they are using their phones to document the good times in their lives.

I am at the age where I use my phone to take pictures of labels that I can't read and use my phone to enlarge the print so that I can read it.
