**It's Your Legion**

Are you an active member  
The kind that would be missed  
Or are you just contented  
That your name is on the list?

Do you attend the meetings  
And mingle with the crowd  
Or do you stay at home  
And grumble long and loud?

Do you ever go and visit  
A member who is sick  
Or leave the work to just a few  
And talk about the clique?

Come to the Legion more often  
And come with hand and heart

Don't just be a member  
But take an active part.

Think this over members  
You know the right from wrong.  
Are you an active member  
Or do you just belong?
