Presidents Report

We had a good turn-out yesterday for our grand opening so I'd like to give a big thanks to the volunteers for helping to make the day a success. It was good to see so many new faces and I hope everyone who was there had a good time. There was a lot of work in the bar that had to get done before yesterday, so I'd also like to give recognition to our new bar manager, Cde Pat Hale for organizing the grand opening, and the hours she put in getting the bar ready for yesterday.

Now that we are up and running again we will be starting to hold burger and steak nights. We are looking for two to three couples who would like to volunteer to organize the steak nights so if anybody is interested they can contact the Legion or myself.

Just a reminder that we will be holding a General Meeting on July 20th.

Darren Papish
President

Canada and the United States share more than just a border.

For decades, we've been close military allies and partners in defence.

Canadians have proudly served alongside their American counterparts in wars, peacekeeping missions and frequent joint training exercises. Pictured here are Canadian troops exiting a US Marine helicopter during a training exercise in Hawaii.

On the Fourth of July, we salute our friends south of the border!
