Presidents Report

Good day members of Stony Plain Legion! The day has finally come that we can fully re-open the Legion and be business as usual!! As already advertised, our re-opening will be July 3rd. Information of what will be happening on that day will be posted in the newsletter and on Facebook.

I have been asked about veteran's coffee over the months in chance meetings with people. We could start them up at the end of July, but being that this is something that doesn't take much to prepare for, and if there's an interest, we could hold our first veteran's coffee on July 4th. For those interested you can leave your comments on our Facebook page, or tell me in person at the Legion on July 3rd.

President

2021 marks the 100th anniversary of the Remembrance Poppy in Canada

Madame Anna Guérin, later christened "The Poppy Lady from France", inspired by John McCrae's "In Flanders Fields", had an idea: to adopt the distribution of the Poppy on Armistice Day as a way to raise money for Veterans' needs and to remember those who had given their lives during the First World War.

In July of 1921 the Great War Veterans Association (which in 1925 would unify with other Veteran groups to form the Canadian Legion) adopted the Poppy as the flower of Remembrance.

Since then, the Legion and its members have upheld this tradition of Remembrance.

Working From Home

How do people in the navy work from home? Play Battleship?

If you're working on a desktop or laptop, make sure to put on a mask. You wouldn't want to catch one of those computer viruses.

Work is really interfering with my enjoyment of working from home.
