Service Officer

Shout out to all Ordinary members, just a quick post to introduce myself as the new Branch Service Officer, for those that don't know me my name is Gord Morrison , I proudly served our great country for 38 years. And now look forward to serving you and all veterans in our area.

The Legion does lots of good things but the thing it does best is assist Veterans who need a hand up or assistance in navigating the bureaucracy of Veterans Affairs . One of the biggest hurdles we all face is accepting the fact that we need assistance (trust me , I am the biggest procrastinator) , we all suffered injuries while serving and most likely ignored them or Soldiered On because that is what we did. So I plead with you to reach out, filling out a few forms is pretty painless, let the Legion do what it does best.

Your Branch hosts Veterans coffee once a month on the last Sunday from 1400 to 1600 hrs

This time of year is especially trying for lots of us and I would plead with you if you are aware of someone who is struggling, reach out to them and let them know they are not alone .

When deadly landmines had to be removed in Cambodia, more than 60 members of the Canadian Armed Forces were deployed to help. From 1994 – 2000, Canadians worked with the Cambodia Mine Action Centre to remove these explosive devices from the Southeast Asian country.

I tried having my mother's phone disconnected, but the customer-service rep told me that since the account was in my dad's name, he'd have to be the one to put in the request. The fact that he'd been dead for 40 years didn't sway her. Then a solution hit me: "If I stop paying the bill, you can turn off the service, right?" "Well, yes," she said reluctantly. "But that would ruin his credit."

I asked my 91-year-old father, "Dad, what were your good old days?" His thoughtful reply: "When I wasn't good, and I wasn't old."

Two old guys, Fred and Sam went to the movies. A few minutes after it started, Fred heard Sam rustling around and he seemed to be searching on the floor under his seat. "What are you doing?" asked Fred. Sam, a little grumpy by this time, replied "I had a caramel in my mouth and it dropped out. I can't find it." Fred told him to forget it because it would be too dirty by now. "But I've got to", said Sam, "my teeth are in it!
