Legion services for Veterans and their families
The Legion provides a range of services and supports for Veterans, their families and dependents. In addition to directly assisting Veterans and their families with the disability claims process through Veterans Affairs Canada (VAC), the Legion offers a variety of programs, resources and referrals to support Veteran health, transition to civilian life, financial assistance and well-being.

At the local Legion Branch, a Veteran or their family can:

- meet with a volunteer Legion Service Officer to help identify unmet health or support needs and review possible benefits through VAC, as well as other supports available
- get assistance with completing the Legion Claims Form and receive a referral to Legion Command Service Officers for individual assistance
- request benevolent financial assistance through the Poppy Fund
- request visits to Veterans in retirement and long-term care facilities
- access Veteran support and care programs as offered through the Branch

NOT A NICE HOTEL

In San Diego to work with military linguists, my colleague and I checked into a hotel and ordered a 5 a.m. wake-up call. The next morning, the phone didn't ring until 5:30. "You were supposed to call us at 5 a.m.!" I admonished the desk clerk on the other end of the line. "What if I had to close a -million-dollar contract this morning? Your oversight would have cost me the deal!" "Sir," he said calmly, "if you had to close that type of deal, I doubt you'd be staying in this type of hotel."

SHOPPING FREEZE

I'm currently boycotting any company that sells items I can't afford.
