Stony Plain Legion Group Steak Night

Steak Night Volunteers Needed

We run the steak night for 22 weeks from May 6 to Sept. 30. It is an opportunity to get involved in your Legion and get to know other members while having fun. It is great for the Legion and appreciated by the community. We would like to get at least 12 volunteers for prep work in the kitchen for approximately 3-4 hours Fridays, and also volunteers for evening set up and clean up. We would like to have enough volunteers so that it would end up as a commitment for 3 shifts for the summer. You can sign up individually or as a group; either way we will get you on a group. If you could step up and help your Legion out, it would be greatly appreciated. Sign up sheets are at the Legion.

WE would like to send out a big Thank You to the Performers that played at our Jam night Saturday. A great time was had by all. We would also like to thank Our Volunteers Gord Morrison for setting up sound system.

Audrey Funge, Simone Franks and Bill and Johanna Durkin for the Chilli Night.

Thanks to All Volunteers

You know you live in Canada if:

Someone in a Home Depot offers you assistance... and they don't work there
Pike is a type of fish, not some part of a highway

You have switched from "heat" to "A/C" in the same day and back again

You install security lights on your house and garage, but leave both unlocked

You design your kid's Halloween costume to fit over a snowsuit

You have worn shorts and a parka at the same time

You attend a formal event in your best clothes, your finest jewellery and your Jeans."

This May 1st is the Battle of Atlantic Sunday, which commemorates the longest continuous military campaign of the Second World War.

This photograph shows the German submarine U-210, caught on the surface, maneuvering to escape the Canadian destroyer Assiniboine in the thick fog. Canadian sailors rarely saw the elusive submarines that stalked the convoys. Catching a surfaced U-Boat that had not already been disabled by depth charges was rarer still. This photograph shows the close proximity Assiniboine had to keep to prevent the U-Boat from escaping in the fog.

For most of the chase, the two combatants were so close that Assiniboine's main guns, intended for use at longer ranges, could not be brought to bear on U-210. U-210, Seen from HMCS Assiniboine
