# Royal Canadian LEGION

Presentation to Stony Plain Kinsmen Ed Berney from Branch #256 President Cde Darren Papish in support of Christmas Hampers.

## Stony Plain Legion Br. 256

Hello All

This is to inform everybody that the Legion will be shut down until January.

I would like to take this opportunity to thank all our members for the time that we were open this fall. Even with the reduced days we were open, and with the occupancy restrictions, I still feel that we were successful. That is a direct result from the hard work and dedication from the executives involved in getting the doors open, and all the members who volunteered their time to help. Yet another example why we have such an outstanding Legion and we have the successes that we do.

Darren Papish

President

## POTATO BAG STRENGTH

**An exercise for people who are out of shape: Begin with a five-pound potato bag in each hand. Extend your arms straight out from your sides, hold them there for a full minute, and then relax. After a few weeks, move up to ten-pound potato bags. Then try 50-pound potato bags, and eventually try to get to where you can lift a 100-pound potato bag in each hand and hold your arms straight for more than a full minute. Once you feel confident at that level, put a potato in each bag. —Beverly Gross**

The Canadian military has its own flight demonstration squadron — akin to the Blue Angels — called the [Snowbirds](#). Like their American counterparts, the Snowbirds perform jaw-dropping acrobatic air shows to crowds across Canada and the U.S.

Identifiable by their bright red sweatshirts and hats, the [Canadian Rangers](#), a part of the Canadian Armed Forces Reserves, provide consistent military support in remote and hard-to-reach areas. These 5,000 volunteers are located through 200 of Canada's most-isolated northern and coastal communities.

Unlike the U.S., the [Canadian Coast Guard](#) is not a part of the Canadian military and instead operates as a civilian Special Operating Agency within Fisheries and Oceans Canada.

However, with the longest coastline of any country in the world, the Canadian Coast Guard often works with both the [Canadian and U.S. militaries](#) to complete missions along its [243,000 kilometers of coast](#).
