Q: How come oysters never donate to charity?

A: Because they are shellfish.

Reality.

Volunteering to coordinate steak night was a beneficial move on our part. First of all it was a good experience, but best part was, we got to meet and got to know some great people. Some of these people were volunteers and others were members that just came to the branch to be social. We would like to thank all the volunteers, that helped with out you it would have being impossible. To all the new and younger members, if you feel a little uncomfortable about getting involved. Don't be it is the best way to get to know members and have fun while helping out.
