

Branch 256 Stony Plain Alberta

Can you please announce that Burger night is starting on Friday Sept 18th from 5 pm to 7 pm and will run as long as possible based on the following criteria:
I need 3 volunteers per week to help with prep and serving
Weather Conditions and most importantly a reasonable number of customers to make it worth while.
This is directed primarily at all the members who were dying for the branch to open and now that it is we haven't seen you yet. The branch needs your support more than ever.
Your fellow comrade,
Bert Reeves

MONEY MARRIAGE

A little boy asked his father, "Daddy, how much does it cost to get married?" Father replied, "I don't know son, I'm still paying."

LOST AND FOUND

The teenager lost a contact lens while playing basketball in his driveway. After a brief, fruitless search, he gave up. His mother took up the cause and within minutes found the lens.

"How did you do that?" he asked.

"We weren't looking for the same thing," she explained. "You were looking for a small piece of plastic. I was looking for \$150."

Legion services for Veterans and their families
The Legion provides a range of services and supports for Veterans, their families and dependants. In addition to directly assisting Veterans and their families with the disability claims process through Veterans Affairs Canada (VAC), the Legion offers a variety of programs, resources and referrals to support Veteran health, transition to civilian life, financial assistance and well-being.

At the local Legion Branch, a Veteran or their family can:

- meet with a volunteer Legion Service Officer to help identify unmet health or support needs and review possible benefits through VAC, as well as other supports available
- get assistance with completing the Legion Claims Form and receive a referral to Legion Command Service Officers for individual assistance
- request benevolent financial assistance through the Poppy Fund
- request visits to Veterans in retirement and long-term care facilities
- access Veteran support and care programs as offered through the Branch
