- What do you get when you cross a polar bear with a seal? A polar bear.

- Why can't you trust an atom?
Because they make up literally everything.

- Why was six afraid of seven?
Because seven eight nine.

- What do you call a hippie's wife?
Mississippi.

- What's the difference between an outlaw and an in-law? Outlaws are wanted.

Thank You for supporting your Legion.

In June 1991, the Canadian Armed Forces delivered medical supplies and equipment to help combat a cholera outbreak and epidemic in South America?

A CC-130 Hercules from 435 Squadron in Edmonton took 14 tonnes of aid to Lima, Peru via Mexico and Ecuador.

Whether being a good neighbour, or helping Canadians at home, Canada's Veterans have been there in times of need.
