Thank You for supporting your Legion.

The Manitoba wildfires in 2024 forced members of the Bunibonibee Cree Nation to evacuate their homes. Within days, the Canadian Armed Forces (CAF) successfully evacuated all individuals from the community and ensured their safe relocation. From wildfires and floods to hurricanes and winter storms, natural disasters have endangered many Canadians over the years and still threaten parts of our country. The CAF are there to help those in need when they are called upon.
