Thank You for supporting your Legion.

In August 1979, members of the **Royal Canadian Air Force** (RCAF) delivered medical and relief supplies to Managua, Nicaragua. The Central American country had been hit by an earthquake and asked for help.

In less than two weeks, CAF members of Squadron 436 delivered 153,000 pounds of relief supplies. Pictured is a Lockheed CC-130E Hercules—the type of aircraft that was used for this operation. Whether being a good neighbour or helping Canadians at home, our Veterans have been there in times of need.
