The Stony Plain Legion will implement the new Exemption Program as outlined by the Alberta Government.

Must show proof of double vaccination (note that for a transitional period between Sept. 20 and Oct. 25, proof of a single dose would be considered acceptable as long as the dose was given two weeks or more before the time of service)

Or a proof of a privately paid negative rapid test taken within the previous 72 hrs

Or have documentation of a medical exemption.

MASKS MAY BE REMOVED WHEN SITTING AT YOUR TABLE.

Saturday October 30th there will be a welcome to "New Members" at 2:30 before the meat draw. Emails have gone to those that I received cards for. Also, if there is a year pin that you are due to receive, please come and we can present you with your pin. Please let me know in advance so I can have it ready.

If you have a claim, or planning on submitting a claim to “Veteran Affairs”, please read this:

1. Veterans should ensure that their “Advocate” at VA, are doing their job in representing the Veteran (the same as a civilian lawyer would);
2. Make sure you see and read any Statement of Case or Statements presented on your behalf in writing (in most cases, there is nothing in writing);
3. Make sure you have been briefed and given a copy of all information that is passed on to the Pension System, prior to the hearing date;
4. Always ask for a copy of your audio transcript, so you can go over what your Advocate has said in your behalf (they will most likely tell you to go through the Privacy Act);
5. Take note that most first claims are denied (this a discouragement tactic);
6. It is very important, that you do not relinquish or give all of your evidence over, after your first hearing (you can’t use your evidence twice);
7. When you seek an appeal after your first denial, you must show new evidence for the appeal (by refusing your first claim, VA will most certainly suppress your original evidence);
8. Ask to see what research has been done by your Advocate on your behalf (don’t be surprised if there is none, they do not conduct themselves like a Lawyer would);
9. As has been seen in the past, most VA Advocates, do not give copies of anything to you, until after the fact (demand it);
10. If you don’t feel like you were represented in a Professional Manner, go back to your Advocate and demand, any and all paperwork, presented on your behalf;
11. If you seriously feel that you were not fairly and professionally treated, it is recommended that you contact the Minister of Veteran Affairs, or the current Veteran Ombudsman, and ask why
