# Letter from the President

Good Day Members of Legion 256

The executive held a meeting last night to discuss how we were going to move forward with the new restrictions in place. We received an e-mail from Provincial Command which stated that Branches in Alberta must following one of the two options. The options were basically based off of the guidelines set out by the Provincial Government in regards to implementing the Restrictions Exemption program.

The e-mail also stated that all District Rallies are postponed until further notice, and Branch General Meetings and elections be postponed until restrictions are lifted.

Being that we cannot hold a General Meeting, a motion was made at our executive meeting to take Option 1, and it was carried. This means that anybody who wishes to come to the Legion must show proof of at least one vaccination until Oct 24th, then two vaccinations thereafter. Members may also show proof of a privately purchased negative test within the last 72hrs, or show proof of medical exemption.

I am not going to get vaccinated for reasons of my own, so with the passing of the motion I can no longer fulfill my position as President to it's fullest capacity. As of last night I passed the duties of the President onto our 1st Vice, Cde Jim Stover, until such a time that these restrictions are lifted, or an election can be held. Until then, I wish you all well, and that the Legion will continue striving under these recent restrictions.

Yours in Comradeship

Darren Papish

Yesterday I saw a guy spill  
all his Scrabble letters on  
the road.

I asked him,  
"What's the word  
on the street?"

What do you call  
a can opener that  
doesn't work?

A can't opener!
