On July 22, 1940, the British Commonwealth Air Training Plan (BCATP) officially launched its first intake of pilot trainees at No. 1 Service Flying Training School in Borden, Ontario.

These young airmen marked the beginning of a massive wartime effort to train Allied aircrew across Canada. The BCATP would go on to train over 130,000 personnel, earning Canada the title of “aerodrome of democracy.”

Afghanistan Veteran Ball Cap – Dominion Command is offering free of charge these hats to any Canadian Afghanistan Veteran. I am looking for ALL - Afghanistan  veterans in Stony Plain and surrounding area who might be interested. I can order this ball cap for you. No charge to the Stony Plain branch, and again no charge to you. Due to limited inventory, it is one ball cap per veteran. Do not ask for more than one. They are not available to the public or random collectors. I Just need your SN, dates of deployment and mission name/number (such as: Op Archer, Op Apollo, Op Athena, ISAF, Op Attention, etc.) for tracking. I will amalgamate a list and send it in. This must be done through the Branch, as these special ballcaps are not in the supply catalogue. Please email me at rcrman507@gmail.com if interested.

My deadline is **31 August 2025** to get my order in.
