Thank You for supporting your Legion.

When the war began in August 1914, many Canadians enlisted, but it wasn't until early 1915, that the 1st Canadian Division reached the Western Front in Europe. On May 18, 1915, Canadian troops began fighting in the Battle of Festubert. This battle marked a significant loss for the 1st Canadian Division. They would suffer approximately 2,500 casualties. It was a costly battle for all involved with minimal gains. We remember their courage and sacrifice.

SINCERE THANKS!!
