- **-What do PHD students eat when they're hungry?** Academia nuts.
- **Why should you always knock before opening the fridge door?** In case there's a salad dressing.
- **Why couldn't the sesame seed stop talking?** He was on a roll.
- **Why do prawns never share?** Because they're shellfish.

Thank You for supporting your Legion.

I would like to let everyone know for personal reasons I am no longer a member of the Executive. However as a Past President and long time member of the greatest Legion I will continue to assist any way I can. Vikki has asked me to continue as PR officer and I will be happy to as long as I am able and whoever is in Command is in agreement. Terry Grabowski will be assisting me with posting etc.

Thank You
Jim Stover

As many are aware, Cde. Morrison has resigned effective immediately as elected President of Stony Plain Branch No. 256 for personal reasons. Per By-Laws, as 1st Vice-President I have assumed the role as President until elections upcoming this November.

The current executive committee is aware of vacancies to be, as many terms are up. Please see forthcoming the roles, duties and responsibilities for executive positions. Any member in good-standing (paid up 2025 dues) can put their name forward or be called from the floor on election night to become a Director.

Without "YOU" stepping up to join the executive, we will not have an executive committee. Without an EC - executive committee, the Branch cannot possibly function. If the Branch, cannot function we will be in potential receivership by AB/NWT Provincial Command. Command will assume the operations and take over of the Branch. This is not a false claim, but could very well be the sad reality without our five hundred and ninety-seven (597) paid members across all categories joining the six (6) vacant executive committee slots.

Something to think about now as this is your Branch. The best in the Prairies. The EC needs Branch members help, to keep our Branch running with an effective Executive Committee. IF you have intentions of joining the EC or have any questions, please email: spl256@telus.net Thank you in advance of November.

Yours in comradeship,
President. Vikki Scott
