Section 1: Acknowledgment of Legal Status of Donor under Ohio Law

I, the undersigned Recipient, hereby acknowledge that I have been informed of and understand my rights and the Donor's rights under Ohio law.

Specifically, I acknowledge that this sperm donation arrangement is subject to the **Ohio Revised Code Section 3111.95**, which states that a man who provides sperm to a woman for the purpose of non-coital reproduction is not the father of a child conceived as a result and has no parental rights or obligations.

By signing this document, I affirm my understanding and agreement that:

- The Donor shall **NOT** be considered the legal father of any child or children conceived using his donation.
- The Donor shall have **NO parental rights** whatsoever, including but not limited to rights of custody, visitation, or decision-making.
- The Donor shall have **NO parental obligations** whatsoever, including but not limited to financial obligations such as child support.

Section 2: No Guarantee of Pregnancy

While we do offer a refund of any fees paid in the case of failure to reach pregnancy despite tested viability of the recipient, I, the undersigned Recipient, understand and acknowledge that while the Donor has undergone testing showing his sperm to be viable, there is **NO GUARANTEE, express or implied, of a resulting pregnancy**.

I understand that the success of artificial insemination is dependent on numerous factors outside of the Donor's control, including but not limited to:

- My own fertility, age, and overall reproductive health.
- The timing and accuracy of the insemination procedure.
- The medical protocols followed.

- Other biological and environmental factors.

I agree to hold the Donor harmless from any and all claims or damages arising from the failure to achieve a pregnancy.

Section 3: Assumption of Risk and Waiver of Liability

I, the undersigned Recipient, acknowledge that I am proceeding with this insemination at my own risk. I have had the opportunity to ask any and all questions regarding the Donor's health history and testing and am satisfied with the information provided.

I hereby release the Donor from any and all liability, claims, or actions of any kind, whether known or unknown, arising from this donation process or the birth of any child conceived therefrom.

By signing below, I certify that I have read, fully understood, and voluntarily agree to all terms and conditions set forth in this Disclaimer and Acknowledgment Form.
