Ever wanted to try your hand at [fishing](#) but didn't know where to start? Now's your chance!

Saturday, June 6, is Free Fishing Day in Texas!

On this day only, you can grab a pole and head to any public body of water in the state — no fishing license required. It's the perfect opportunity to:

- **Have Fun:** Enjoy a day on the water completely on us.
- **Bring a Friend:** Introduce someone new to the sport.
- **Make a Memory:** Whether it's a quiet morning at the pier or a family outing at a state park.

So, start thinking about your favorite coastal fishing spot or that one lake you've always wanted to visit. We'll follow up soon with some tips on where the fish are biting!

Tight lines,
