

STUDENT HAIR MAKEUP KIT + SUPPLIES CHECKLIST:

Please make sure your child brings their hair and makeup kit and personal supplies to dress rehearsal and all performances.

GENERAL MAKEUP INFO

All cast members should wear at least:

- Foundation or powder *Optional foundation (younger cast members can use powder).
- Light Blush
- Lip gloss
- Mascara

This natural makeup look will help ensure their features are visible on stage.* Boys should wear at least powder to reduce sweat and shine.

*PLEASE NOTE: this is NOT typical stage makeup. Since the show is site specific and immersive, the actors will be pretty close to the audience members, so they don't need harsh stage makeup. Please keep everything natural so they still look like kiddos. :)
