

PRAYER OF HEALING FROM ST. RAPHAEL THE ARCHANGEL TO LORRAINE (2016) (PART ONE)

I, St. Raphael, as the Archangel of health and healing, come to pour out countless graces on the people of God and to give this important message to all Soldiers.

I, as the Archangel of health, need to heal spiritual and mental wounds, both physical and psychological; traumas that throughout their lives have been rooted in their souls, as well as diseases that have been developing in the time of gestation of the babies in the womb, both psychological and physical and spiritual.

I need the Soldiers to be healed, in order to advance to the Heavens and New Lands; Remember: it is very important that Soldiers be freed from all bonds that enslave them to countless psychological, emotional and physical, and therefore spiritual problems.

They must be attacked at the root, a root that comes from the gestation of the embryo in the womb, since doctors seek to find solutions to diseases through science, when their origin is of a spiritual nature, because many psychological and mental health problems often date back to the time of gestation of the fetus, What is when the baby

in the womb it is rejected and diseases develop that manifest themselves later in adult life or in puberty or childhood.

The rejection of the mother to her child, who seeks to find easy solutions to her pregnancy, is one of the causes of psychological problems, because with the fact that the mother only thinks about it, that feeling affects the embryo in gestation, feeling rejection by its mother that affects its psychological and emotional integrity. because the spiritual bond that unites a mother with her child is very strong.

Hence the importance of having a good pregnancy in all aspects, including the spiritual one, which is very important, since it entails a full development of the baby.

Children rejected in their mothers' wombs are more likely to develop mental, psychological and psycho-affective illnesses when they grow up; even diseases such as cancer can develop if these wounds are not spiritually healed. As part of this Army we need healthy Soldiers, more than anything spiritually.

Generational curses are passed down spiritually from generation to generation and can be healed with the power of the Holy Spirit.

As you can see, all this is not easy to understand and here we have to delve a lot into spirituality and psychology. A person's behavioral canons are derived from many factors: psychological, sociological, genetic, spiritual, generational, and even environmental.

The way people behave is very varied and we do not understand how being brothers and educated with the same moral values and the same education, they are all very different; Even twins develop very different and ambiguous behaviors from each other. This is because from their gestation, they are people with unique and different souls; From there arises the spirituality of each person that allows each of them to develop their capacities and skills according to their heritage, not only genetic but also spiritual, which is different for each soul, since each one comes to

to fulfill a specific mission; that is why people develop different skills according to their mission.

Art in the human being is more than anything a spiritual inheritance, so it is a gift from God that is given to each person, according to their mission; It is something so beautiful that men of science do not know that each soul has different capacities and gifts.

That is why for a person to develop his gift, he needs a spiritual anointing at a certain stage of his life with his Creator, and from there art, music, singing, dance, writing, oratory, up to the vocation to marriage, celibacy or vocations to religious life are born. Whether a young man inclines to a priestly vocation, to a consecrated life or to marriage, comes from the spiritual inheritance that God placed in his soul as a gift or gift from Heaven freely given to men to carry out his mission. That is why we need each Soldier to get to know each other in an intimate contact with God, because it is time for him to carry out his mission.

We will start with the most important thing, the healing of the soul, and this will lead us to heal psychological, mental and even physical diseases.

I, Saint Raphael the Archangel, come to heal and in the name of my Lord, I come to give you the main steps to follow: in the place where you feel comfortable, give

They will sit comfortably inside their own homes, something that brings back a beautiful memory, such as the armchair that was grandpa's, where they feel accepted and loved.

Remember that we will pray a prayer of healing and liberation from the moment of conception until the moment you are living; This will help you heal your souls.

Let's get started:

I am in my mother's womb, everything is dark but I feel my mother's warmth; through the umbilical cord I feed myself and I feel my mother's voice ring: she is sad, angry, worried or attacked; I feel her heartbeat joining mine and there is a spiritual connection between her and me from the moment I was conceived; I hear her voice resounding and I feel her like an angel. From this moment I ask Jesus Christ and the Holy Spirit to heal everything that inside the mother's womb affected me, which could have been insults towards my mother, aggressions, screams that affected her psychologically and emotionally and therefore spiritually and that therefore affected me, triggering diseases in my mind and soul.

I heal in the name of Jesus every negative thought or feeling of rejection of my mother towards me, everything that has influenced me to feel rejected and alone, because I felt the rejection of the only being whom I knew and trusted and this damaged my heart, triggering sadness in me, anxiety and loneliness. This led me to accumulate hatred and resentment without knowing why, since it inclined me towards bad temper and made it difficult for me to comply with the Commandments and Precepts of the Church; because when I felt the rejection of the only being I knew and in whom I blindly trusted, I unconsciously claimed it from God, and therefore I feel a rejection in the spiritual and it is difficult for me to pray, fast and fulfill my tasks and purposes of prayer.

I heal in the name of Christ Jesus every impure act of lust, passion or misguided sexuality, which my parents have carried out at the time of my conception and gestation.

All these acts have affected my emotional sensitivity and sexuality; That is why I like to resort to masturbation, pornography, sexual debauchery and even homosexuality or lesbianism.

This lust on the part of my parents affected my spiritual integrity, sowing in me feelings of masochism, unbridled sexuality and even taking refuge in drugs or alcohol. Ato, in the name of Jesus Christ, all rejection by my father of my being at the moment of my conception; I free myself from all ties that at the cost of that feeling led me to be an insecure child with learning problems in school in my childhood.

That lack of acceptance by my father at the time of my conception, led me to develop inappropriate behaviors in my childhood such as: hyperactivity, learning problems or lack of concentration and bad behavior, because inside me I felt the rejection of my father and I took refuge in my own ego, being an undisciplined and misbehaving child, or dull and lonely, carrying with me ideas of suicide and sadness in my development and psychological maturity, which led me to divorce and marital failure, being an unstable person, because inside me and unconsciously I felt rejected by a father figure, who gave stability to my mother, creating in me as I grew up, feelings of anguish and worry, that made a dent in my soul, mind and spirit.

Healed in the name of Christ Jesus, any sin against the spiritual integrity of me and my mother that has been carried out during my gestation in the womb, such as card reading, horoscopes, palmistry, New Age, satanic readings, yoga, reiki, consultation of the stars, Santeria or any rite or eye activity that damaged the spirit of my mother and mine, leading me to have an aversion to God, because she opened the door to the enemy and therefore, within my body, mind and soul there is a being dissatisfied with life, moody, incapable of loving and forgiving, selfish, arrogant, haughty, because the enemy took possession of my soul, damaging it to such an extent that I am conceited and arrogant.

He sowed in my soul the seven deadly sins and therefore it is very difficult for me to understand, accept and love others, because I am selfish and arrogant; therefore, I crave power and prestige even at the expense of others.

I like money, excessive hunger for acceptance, I am aggressive and compulsive, I do not control my character and therefore I develop both psychological and physical diseases, and even cancer, which affects my integrity as a human being, because my soul has not been freed from the bonds of the enemy that affect me, being a being closed to the grace of God, concentrating on my ego, making me selfish, petulant and arrogant.

Healed, in the Name of Christ Jesus, every evil influence on my being at the moment of conception and on my development in my mother's womb.

I declare myself in the Name of Jesus Christ, free from all ties that lead me to act irresponsibly and selfishly with my neighbor and especially with my husband or wife.

Healthy in the Name of Jesus Christ, all family rejection towards me by my grandparents, siblings or close relatives that influenced my bad temper, since my mother did not know what to do and transmitted to me that anguish and feelings of rejection by my family, and I felt rejected and unprotected; All this led me to have few friends, to be unfriendly and lonely, to not relate well with my spouse, not to interact affectionately with my children, to be selfish and insensitive.

That is why from today I ask for liberation and healing in the name of Jesus, from everything that affected me at the moment of my conception and gestation.

I, St. Raphael the Archangel, emphasized the moment of conception and gestation, because although you may not believe it, it is the moment when the spirit and the soul are fully developed, and it is very important to heal wounds that are carried from gestation, since these influence the behavioral canons of people and this affects and influences so that the spiritual gifts that God gave to each person do not develop well and therefore do not know what it is

its mission; that is why I considered it pertinent to heal everything from the moment of conception.

Now we go to the first years of life, where the character and psychological and mental integrity of the child are formed:

Sitting comfortably, bring to your mind every act that marked you in your lives, from newborns to five years of age, what you remember: some rejection, psychological or physical abuse, lack of attention, domestic violence. Everything they remember that marked them in their childhood and say:

"In the name of the Slaughtered Lamb and his Blood shed for me, I declare myself free from all bad influence or psychological, emotional or physical abuse towards my person, from a wake-up call that has affected me to verbal, psychological or sexual abuse.

I declare myself in the name of Jesus, free from all illness that has been unleashed in my body, mind and soul and by that circumstance that marked me in my life, and I declare in the name of Jesus, that I am free from all ties and from everything that led me to this physical or psychological suffering that I have, as well as illnesses in my body or in my soul.

In the name of Christ Jesus, I declare that He has healed me and freed me from all evil that has resulted from traumas from my childhood. "Now go back to the age of six to twelve years and free yourselves in the name of Jesus Christ from everything that affected you in your physical, mental, psychological and emotional integrity and that does not allow the Holy Spirit to flow in you, and therefore do not achieve good communication and effective prayer with the Father.

Let the Holy Spirit flow in you and say:

"I declare myself free in the name of the Blood of Jesus Christ shed for me, from everything that in my childhood affected me in my psychological, physical, mental and spiritual health and I am free from all bondage; Therefore I declare that I am healed of every physical or spiritual disease in my being. "

And so with this prayer that I will give you next, you will be healing each stage of your lives that you are missing, until you reach this moment.

"I, as a child of the Most High, ask for healing in every part of my life in the name of Jesus Christ and by the Blood that He shed for me on the Cross, I declare myself free from all physical, psychological or mental illness.

Above all, I declare spiritual healing in my soul, so that I can carry out my mission within my plan of salvation and that of all humanity in this end time.

I am free to carry out my mission, since free from all psychological, emotional or spiritual ties, I will be able to let the Holy Spirit flow in me who will give me the necessary strength to fulfill my mission

Through the Archangel St. Raphael and his powerful intercession and all the power of the Blood of Christ, I declare myself healed of all evil in my being, free from all bondage, and ready to carry out my laudable mission. Amen. "

Now let's go to the generational curses that come from the sin of their ancestors, which were inherited from them; Therefore a very strong and special prayer should be made, so that they may be free of body, mind and soul from very strong and heavy chains. They will put a blessed candle on their altar and a Bible to one side, as well as the image of the Virgin in any devotion; a Cross and the image of Saint Benedict.

Sitting comfortably, they will pray to the Father declaring deliverance in this way:

"I, as a favorite son of the Most High and heir to the future Kingdom of Peace of Jesus Christ on earth, need to carry out my mission, free myself from the generational curses that weigh on me.

Therefore I ask my Lord Jesus Christ to come to my aid and with his power and the power of his Glorious Resurrection to clothe my soul with his grace and make me free from every bond of sin and abomination of my ancestors that weigh on my soul and spirit. I declare myself in the name of Jesus Christ, healthy and free from all generational curses by the Blood of the Slaughtered Lamb that cleanses me, defeats me and unties all the chains that oppress my soul and in the name of Christ Jesus I untie all the generational curses that weigh on my mind, body and soul.

Free from all bondage, I declare myself a person ready to carry out my mission that has been entrusted to me in this end of time.

I declare that I am free to choose and I choose from this day forward to fight as a warrior of God, trained and ready for battle, ready to give my life for my Lord Jesus Christ. Being free from all bondage and curses, I give my Fiat to the Most Holy Trinity and to my Mother in Heaven, letting the Holy Spirit flow in me from now on and fill me with his strength and power, giving me the necessary tools to carry out my mission.

As a son of the Most High, I declare myself ready for all that comes, and in the name of the Blood of the Slaughtered Lamb I am free from all evil. Amen.
"

After you have been healed in body, mind, soul, and spirit, you will give thanks to God at the next Mass you attend; in this Mass, at the moment of Consecration, give your life to the Most High and offer all that you are to your beloved Father God.

Offer yourself whole to Him and you will see that everything is easier.

I, St. Raphael the Archangel, as the Archangel of health, have given you the tools for your healings; Do all that I told you and you will heal and be free to carry out your mission. I leave you with the war cry:

Who is like God! No one like God!

ST. RAPHAEL THE ARCHANGEL CLARIFIES SOME OF THE SOLDIERS' DOUBTS REGARDING THE MESSAGE OF HEALING.

(Part Two)

I, St. Raphael the Archangel, as the Archangel of health, have the obligation to clarify some doubts about the prayers given for spiritual, bodily and mental healing, as well as healing from the moment of conception, gestation and life of the human being.

This is complicated, because each one has a particular life story and different circumstances of their lives, which root traumas and diseases in each person, coupled with generational curses.

To be more specific, we will discuss the strongest bonds of union and give prayers of healing that will be given on my behalf and that will be anointed by the power of the Blood of Christ and the Anointing of the Holy Spirit.

This topic is very important, since the spiritual healing of the Soldiers is essential to be able to continue advancing.

We will start with the spiritual healing between mother and child bond:

When a mother rejects her child in the womb, she deprives him of feeling God's love fully, because, although God loves that baby with all his soul and affection, the only being the baby knows is his mother.

It is true that the Guardian Angel of each one is there to protect each baby from the moment of conception, but the union between mother and child is very strong; He not only feeds on her physically, he also feeds on her spiritually, so every feeling from the mother to the child and everything that affects the mother emotionally, affects the baby.

It is therefore very important to heal this essential stage in the stage of every human being.

Let us begin with the prayer of a mother to her son who, after having rejected him, wants to regain the love of her child.

The bond that unites a mother and her child is very strong, therefore even if they are far apart, the prayer of a repentant mother is so effective and fills Heaven with so much joy, that it is always heard when it comes from a repentant and sincere heart.

A Mother's Prayer of Healing for Her Child

"I, as a mother bearer of the gift of motherhood and as a giver of life, thank my God for such a beautiful gift and ask forgiveness from my God for not having known how to thank this precious gift and for having despised and rejected the fruit of my womb during gestation inside my womb. I ask forgiveness from my Father for every sin committed against my son, and I not only ask forgiveness from the Father, but I forgive myself, accepting the consequences of my sin.

I ask the Father to give me the opportunity to see my son forgiving and loving me so that from today on I can lead a full life full of satisfactions, giving my weaknesses at the feet of the Holy Cross.

May that bond that unites us as mother and son be for us the force that helps us to continue. I ask forgiveness from my Father, I forgive myself and I ask forgiveness from my beloved son, so that he may be illuminated by the Light of the Holy Spirit and may return to my arms; I snuggle him in my womb as if he were in gestation and so, feeding him spiritually through my umbilical cord, I ask that the Holy Spirit flow in his heart so that that umbilical cord that nourished him for nine months, may today be the spiritual cord that feeds us both from the Holy Spirit, creating in us a relationship of love and understanding, affection and respect.

I pray in the Name of the Slaughtered Lamb and for his Blood shed for me and for my son, to heal the wounds that my indifference and rejection caused in my son and that he, free from all ties and sin, may return to me, to make up for all the lost time and give him my great love as a mother. Amen. "

Prayer of healing from a son to his mother

"I, as a child of the Most High and as a good brother in Christ Jesus, forgive my mother with all my heart and declare healing in my mind, body and soul for the rejection I felt from my mother during my pregnancy.

I, as a good son of the Father, forgive every offense and declare myself free from all ties in order to strengthen with my mother that spiritual bond that unites us from the moment of my conception; and I declare that by the Blood of the Lamb and by his great love for me and my mother, I forgive myself and my mother.

Free from all bondage, I place my mother in the arms of the Father so that He unites us, and gives us love and understanding of each other and thus be able to lead a full life and in God's grace, strengthening that spiritual union between us and giving the best of each one of us; recovering the love of mother to son and of son to mother. Amen. "

A husband's prayer of forgiveness to his wife

"I, as your husband and united to you by the marriage bond and forming one flesh, ask your forgiveness with all my heart for not having loved and respected you as God asks and for having hurt your heart and soul, damaging our relationship and marriage bond with the sin that destroyed our union and gave way to hatred and resentment.

I ask forgiveness from the Father, for not having respected and loved you as Christ loved his Church; for not having made me a man worthy of you.

I ask your forgiveness, I ask God's forgiveness, and I forgive myself in the name of Christ Jesus. I declare myself free from this guilt and this sin that destroyed our home and family integrity.

By the bond of love that united us at the moment of marriage and prostrate before the Cross, I offer all that I am to my Lord and free from all bondage, sin and curse, I ask you to forgive me and help me to recover our marriage. In the name of Christ Jesus. Amen."

A wife's prayer of forgiveness to her husband

"I ask your forgiveness for not having given you your place as the head of my household, as the bearer and giver of love and understanding; for not having valued you enough and for having sinned against the bond that unites us before God and for having thrown you out of my life. For not having loved and respected you as my husband, the Father of my children, the breadwinner of the house, the head of my family.

I ask the Father for forgiveness and I forgive myself, so that free from all guilt and bondage I can love you as you deserve and rebuild with God's help our marriage bond and thus, under the Anointing of the Holy Spirit, reestablish our marriage. Amen. "

These prayers will be prayed for as long as they consider appropriate, at least once a week.

Little by little and with the help of Jesus Christ and the Holy Spirit, they will heal the wounds caused from the moment of their conception and gestation, and they will be able to grow spiritually and heal all the wounds during their lives.

They will feel free and more spiritual to pray, fast, love and forgive. They will be filled with the Holy Spirit little by little and they will see their mission clearly and will be able to grow

Everything that they could not control before, such as their character, their temper, will be easy to mold, within their particular mission, within their history of salvation and the history of salvation of humanity.

Soldiers, I need you to make all your availability in this exercise, so that, healed by the power of the Holy Spirit and freed from all ancestral bonds, you can discern to carry out your mission.
