FIRST PART SAINT MICHAEL'S ARCHANGEL ARMY

Lesson I – Functions and Missions of the Firstfruits

The firstfruits are the 144,000 chosen from the apocalypse to come after their transformations of bodies and hearts to evangelize, to guide the great crowd to the New Millennium and fight against the antichrist.

I.- FIRST FRUITS:

Chosen by Divine Decree to face the antichrist, lead the great crowd to the New Millennium, help their brothers to know the Divine Will and save their souls, protect humanity from the snares of evil, preach the Gospel, convert souls and give your life for Christ.

These people are extremely special and chosen by Divine Decree from before they were born, therefore, they will be endowed with Divine infused knowledge, extraordinary gifts and the transformation of their bodies, shortly before or during the great tribulation.

These men will be about to be taken by Heaven, for their transformations. That is why you who have felt the call to be Firstfruits, and even if you are not sure, but feel it in your heart, you must follow the following steps from today to be able to achieve your transformations:

First of all, these people already enjoy a more pure, noble and innocent Heart, since they do not feel hatred or resentment, they are no longer startled by attacks, nor do they doubt God's designs.

They share the sufferings and joys of Christ and know God's mysteries with more certainty than other souls, because their hearts are already almost transformed.

They lack the final touch, mature a little more in love and surrender. They are very different from others, they feel compassion, love. They are charitable, they have faith and hope.

They feel great joy when they hear about the soon return of Jesus Christ. They only need their bodies to transform and their souls and spirits to acquire the Divine infused knowledge. These souls were prepared for nine months in the Womb of the Virgin Mary of Guadalupe.

They are heavily attacked by the enemy, but they are strong. God the Father has forged them with His Hands. The Virgin Mary has instructed them in her Maternal Womb. And the Holy Spirit has worked in their hearts. Therefore, they are very special souls with the hearts of children.

Are you ready for your final transformation, the corporeal one? because your hearts that were human and rock are now hearts of flesh, with love and hope. You are almost ready to be totally like the Heart of Jesus Christ.

Therefore, you must follow the following steps:

- 1.- Daily prayer of the Rosary.
- 2.- Exorcism of Pope Leo XIII.
- 3.- Spiritual Armor given to Enoch.
- 4.- Devotion to the Most Precious Blood done twice a week.
- 5.- Charity work.
- 6.- Daily Communion. If you can't, make it spiritual.
- 7.- Hymns to Saint Michael, Saint Gabriel and Saint Raphael.
- 8.- Prayers given by Me, through Lorena, which are for the Firstfruits (messages 7 and 8 of the guide)
- 9.- Fast twice a week.
- 10.- Oil of Saint Joseph, smeared and taken at least once a day as protection and spiritual Food.

11. Sprinkle holy water on food and personal objects, such as medals, scapulars, Crosses, Bibles, spiritual books.

12.- Have exorcised water, holy water, blessed oil or Saint Joseph or Saint Raphael.

13.- Remember that, as Firstfruits, you must protect the praying and practicing soldiers since they will not enjoy so many spiritual gifts, therefore, the battle will be harder for them, so they will need your strength and comfort.

14.- Read Biblical passages, those that you consider pertinent, preferably prophetic and the Gospels, for at least one hour a day.

15.- Know and begin to read the Catechism of the Catholic Church, so that you know its Guidelines and patterns to follow.

16.- Discretion, prayer, silence. Do not judge or criticize and if you are going to say something bad about your neighbor, even if it is a comment, keep quiet and say nothing; only build others by exalting their virtues and do not judge them for their defects.

17.- Silent fasting

18.- Invoke me and recite our battle cry every day: Who is like God! Nobody is like God!

19.- And lastly, let yourselves be guided and molded by the Holy Spirit. Follow his inspirations and offer all your sufferings for the salvation of souls, because the Firstfruits are Repairing victim souls, who have been molded in suffering.

I, Saint Michael the Archangel, am in charge of guiding the Firstfruits who are the strongest spiritually, because their preparation began long ago with the transformation of their hearts, and they have been walking through the desert suffering, because they have been purified and have refined their hearts, therefore, they have also been transformed.

The final transformations are missing, where you will be endowed with Divine infused knowledge and extraordinary gifts and abilities, for which this Army will be taken and snatched away to Heaven for its final training, for which the

Firstfruits are only asked for now, to put into practice the points given above on functions.

There were several points, concretize in them. I cannot give you anything today, because your training is extraordinary, and the Holy Trinity will train you when you are taken into Heaven.

So, all that remains is for me to tell you that I will lead you and that our motto is:

"We as the Firstfruits of Christ chosen by Divine decree, unite in one only from the twelve tribes of Israel and we joyfully shout before the people of God our cry of war:

Who is like God! Nobody is like God!

Lesson II - Firstfruits Manual

I, Saint Michael the Archangel, after giving the Manual for Praying and Practicing Soldiers, want more than anything to give the Firstfruits a guide for their spiritual preparation, so that when their transformations arrive, you can have spiritual maturity to be able to be transformed into new men by service of Heaven, since many of you have many activities that you need to carry out to support your homes and you do not have much time to pray; but we have already seen what a contemplative life is, therefore, more than a long list of daily prayers, what Heaven asks for is the spiritual preparation so that you can become transformed, since the most important thing for the Firstfruits are not the extraordinary gifts nor the infused knowledge acquired, is a heart transformed into the image and likeness of Jesus, Mary and Saint Joseph. For this reason, spirituality is very important and for this we will focus on the spirituality of Saint Francis of Assisi, to form our Marian Homes and as spiritual growth for the three types of soldiers: Praying, Practitioners and Firstfruits.

Remember that praying is not spending all day praying but raising our prayers to Heaven with a pure and simple heart and with an intention of love for the

Father. The love that we give to others, to ourselves and to Heaven, is the most effective prayer; a single thought of love can save many souls.

So as Firstfruits of Christ, we must work more than anything on our hearts.

It is essential that you do so, forgetting any hatred or resentment, bad intentions, anger, even personal dissatisfaction that leads you to bitterness or sadness.

You must have joy in your hearts to be able to be transformed and how is this achieved? you ask yourselves; it is joining the joys of Jesus. He does not always suffer for the sins of the world, He also rejoices in his children; when his little faithful remnant received him with so much love on December 24, 2016, at 12 midnight. For Him it was so, so beautiful, so warm the reception on the part of his faithful people, that he felt so much joy in his heart, that he filled all his people with graces and gifts. But not all received him one hundred percent; remember that to receive thanks to the fullest, we must have clean and pure hearts at that moment, there must not be any resentment, sadness, dissatisfaction, because they are like an umbrella that stops the rain of blessings. Take off your umbrella and you will receive endless blessings from Heaven; so first of all, you must have a happy heart and therefore a child's heart.

What does this mean?

A child blindly trusts his parents and is meek and humble, simple and innocent; in a word it is genuine; be genuine, be like children, trust completely in Heaven, it will protect you and guide you if you let yourself be abandoned in the arms of the Father and trust Him like children, so you will get many answers from Heaven. A child never worries if they will have to eat or what to wear, for them there is no economic crisis, nor the problems that afflict the world; so you, abandon yourselves in the hands of God. This does not mean that they live inside a bubble without knowing what is happening around them, but it does mean that they put all their trust in Heaven.

You must have full confidence that the Almighty has any situation, no matter how difficult it may seem, in His hands. Those hearts that trust and abandon themselves are so docile to the inspirations of the Holy Spirit, that they act one

hundred percent inspired by it, which is why it is so important to have a joyful heart, as a child.

The third step is to have a pure heart; pure hearts do not know how to hold grudges, they are not envious or arrogant, therefore they are humble. It is like when you are hurt and wounded, but for the love of Heaven you forgive so easily that you forget everything, and you even feel pity for the one who hurt you when you know your sin and its consequence; never be sad or bitter, just forgive and love.

These are the most important steps for your transformation; the heart is the most important thing for the Firstfruits. To have a happy heart as a child, pure, simple, humble and also grateful to the Father for the great gift of being chosen as Firstfruits, because you are very special to Heaven and your hearts and souls have always been special to God.

God chooses hearts ready to be Firstfruits, so if you don't have much time to pray because of your activities, don't worry; it is true that as Firstfruits you are asked to lead a life of prayer, fasting and penance, but do so to the best of your ability; here the most important thing is the heart. This information is also useful for Praying and Practicing Soldiers; we need living tabernacles, since your hearts will be able to make the triumph of the two Hearts come sooner, because through these hearts the land of the power of love will catch fire and everything will be transformed by it.

Army of Christ, ready for battle and to give the final touch to your hearts. Everything is almost consummated, so let's get to work, because it is important that in your transformation the Firstfruits experience the Sixth Chamber in their hearts; this will be the final point and the rest will come later, the extraordinary gifts and the infused knowledge; first will be the transformations of hearts. Firstfruits, ready for battle! Always remember to have hearts ready to love and forgive, since the key to everything is love.

I say goodbye with the war cry:

Who is like God! Nobody is like God!

Lesson III - Firstfruits Instructions

I, Saint Michael the Archangel, after the presentation of our beloved Captain, come to instruct you on the Firstfruits, which will be the primary members of the Militant Army school.

They are and were chosen from all eternity by the Father and they are very different from each other. There are 144,000 soldiers of every people, race and nation, descendants of the twelve Tribes of Israel.

They have very different qualities and have different characters that are not very similar to each other, but that together make up the Firstfruits. Only the Father knows who will be Firstfruits.

They will be prepared by Heaven; those who are going to be Firstfruits are asked in front of an image of the Virgin of Guadalupe and an image of Jesus Christ, preferably the Agonizing One, to pray the following prayer on the 10th and 20th of each month from now on until their transformation.

Prayer to be Firstfruit:

"As a soldier and member of the Militant Army of Saint Michael the Archangel, led by the Virgin Mary and her Son Jesus Christ, I ask the Holy Trinity to make me a Firstfruit of Christ Jesus. I place myself at the foot of the Cross, and I ask what if I have been chosen for such a praiseworthy mission since my birth, let me know and confirm it in my spirit and my soul.

I prostrate myself at his feet and offer my whole life, prayers, work and all that I am to my beloved teacher Jesus Christ, and I ask him to make me his Firstfruit if it is his Will.

I surrender at his feet, day and night to give glory to his name and to present my request to the Father. Amen."

Put three candles, symbolizing the Holy Trinity, and light them at the time of saying the prayer. Note: All Soldiers can request to be Firstfruits, but only the Father will decide who is Praying, Practitioner or Firstfruit.

After this prayer you can humbly ask the Father to reveal to you if you are Praying Soldiers, Practitioners or Firstfruits.

Remember that the three groups of soldiers are very important and that they are all indispensable within the mission of the Militant Army, only that they are different nominations and some, as older brothers, will be required more than the younger ones, but all three: Practitioners, Prayers and Firstfruits, as children of the Father are just as important and loved by Heaven.

I say goodbye with the war cry:

Who is like God! Nobody is like God!

I, Saint Michael the Archangel, Prince of the Celestial Militia and Leader of my Militant Army, am in charge of giving this important message through Lorena.

Time is pressing, the trumpets that give the final ruling are about to sound and the great tribulation is already beginning in the last stages, and all those chosen by God the Father from the womb of their mothers must be willing to give everything, especially to leave everything. Their lives will change dramatically, and they will be called to preach the Gospel to all peoples, races and nations.

That is why I ask you for the final preparation and renounce the world and its delights and negative and superfluous influences completely.

It is time that you begin to listen to the apocalyptic trumpets one by one in your hearts so you will be ready to follow the pattern and to know that the last stages of your transformations will begin, the most notorious, will be when you will be provided with various supernatural gifts, before you transform completely.

For this preparatory transformation to the final, you are asked:

- 1- Abandon the world completely.
- 2- Living in a state of grace.

- 3- Have a child's heart.
- 4- Live intimately united to the Holy Trinity remembering your FIAT every day.
- 5- Prayer, fasting, penance, sacrifice and communion, Eucharistic Adoration.
- 6- Obedience, humility and confidence are your weapons, and finally faith. Those four elements will help you to make your spiritual growth faster. Like all the points mentioned above.

Read the Holy Bible, the Catechism of the Catholic Church. Learn sentences in your native language and in Latin. It is important to memorize as many sentences as possible.

All this will be your final preparation to be able to reach the transformation prior to the one you will be ready to receive in Heaven.

During this transformation you will receive many gifts. These are the crucial months of preparation and where every final and crucial event of the great tribulation begins, which is about to begin in its most important stages.

I, Saint Michael the Archangel, together with Rafael and Saint Gabriel, will continue to give you recommendations and a guide to follow. I say goodbye with the war cry.

Who is like God! Nobody is like God!

Lesson IV - The Sword of Saint Michael the Archangel

Instructions from Saint Michael the Archangel to the soldiers of Mary. Message from Saint Michael given to Lorena, October 21, 2019

As children of Mary, as lights in the darkness of the world, you must as soldiers belonging to this army of my great Lady, made up of different types of soldiers, give battle against the forces of evil that are at their peak, destabilizing society with its wicked laws.

Warriors of the Holy Mother of Heaven, Martyrs, Firstfruits, Prophets and Soldiers, you must follow my instructions today, that you are about to enter the last stages of gestation to soon be enlightened to your new spiritual life as children of God; as chosen for specific missions within the plan of redemption of humanity.

This army made up of Martyrs, chosen from the womb to shed their blood for Christ, carry within themselves the Cross of Christ, embedded in their hearts. And they must prepare to give their lives to God the Father through martyrdom with much prayer and spirituality, since the strength to endure martyrdom will come from the Holy Spirit.

These soldiers with their blood will renew humanity and with their oblation they will give to Heaven, life to the heavens and new earths, since they will be the foundations of new Christians. For this reason, they must lead a life of prayer, fasting and penance so that the Holy Spirit takes them, and it is no longer they who live but Christ in them, and as an offering of love they give their lives to Christ Jesus.

I, as Prince of the Celestial Militia, will accompany you in your agony and take you into the arms of God and you will govern the new creation, because with your life of oblation and dedication you will give life to the new humanity and will be the basis of the spirituality and growth of these new generations founded on love; remember that you are still in gestation, take advantage of these last moments of preparation.

The Firstfruits, the first of the harvest. You will prepare your souls for the transformation with a lot of prayer and works of charity, as well as a contemplative life, fasting and penance; these soldiers, Firstfruits of the new humanity, will direct their other brothers to the heavens and new earths. You will face the antichrist, therefore you must be strong and ready for your final transformations, where you will be given the most important gifts possessing Divine infused knowledge.

The Firstfruits will evangelize throughout the world giving the good news of the Kingdom of God to all creation. Called as the first missionaries within the great tribulation, they will direct the boat where the great crowd will sail to the heavens and new earths.

A great responsibility falls on them, for this reason they must prepare themselves arduously by exercising the virtues within their lives, and abandonment and trust in God by practicing the Divine Will in their lives, and offering themselves as a sacrifice of love to their brothers, giving their lives for the Gospel and through Christ, who will lead them in this great Marian Army

that the Heavenly Mother has been forming and preparing for the glorious return of Her Son Jesus Christ.

The Prophets will pave the way for the Lion of the Tribe of Judah, and with their prophecies and their voice resounding throughout the Orb they will announce the events to come, shaking the Word of God and the warnings given by Heaven in the hearts of their brothers to humanity. This is why, in order to be clean and pure conduits of the Word of God and of Jesus Christ, the Mother of Heaven, the Holy Spirit, the Saints and the Archangels, you must pray a lot and be in constant vigilance and penance, having a spirit open to the inspirations of the Holy Spirit to be clean conduits and ready for what Heaven wants to transmit to humanity to flow through them.

The other soldiers, among them Practicing soldiers and Praying soldiers, must lead a life of prayer and sacrifice so that God will take you and make you His faithful disciples who will also evangelize and bring the good news of the Kingdom of Christ to the whole world. These soldiers must be well grounded in the Doctrine of Christ, which is why, like all the others, you are also asked to study the Gospel and the Catechism of the Catholic Church, as well as the Bible and prophecies of the Holy Mother of Heaven, through its multiple appearances around the world.

For this reason, as a Marian army, you are asked to be preparing for the battle with Eucharistic Adoration and Communion, Mass and Rosaries so that when the time of your spiritual birth arrives you are ready to be born into your new spiritual life and give the best of yourselves, giving your FIAT to the Holy Trinity, who will give you the strength and weapons for the battle, which you will receive in these last months of gestation and in the Warning or Illumination of Conscience of God the Father to humanity.

That is why I, as Prince of the Celestial Militia, give you my sword, so that you can fight the demons with it. And that sword that I give you as a symbol that you belong to the Army of Heaven, symbolizes that your names are inscribed inside my warrior's heart and that I officially declare you soldiers ready for battle. To receive this sword, I only ask you to pray this prayer in front of the Blessed Sacrament and I will give it to you. It will be a powerful weapon against the demons, and you will carry it with pride.

PRAYER:

I, as a soldier, belonging to the Marian Army of our Heavenly Mother, and directed by Saint Michael the Archangel, I give my FIAT to the Holy Trinity, and I give my heart to the faithful warrior of Christ, Saint Michael the Archangel, so that he may take it and be part of his great army, preparing me with his sword for the great battle, which is fought between good and evil. I surrender my will, my heart, my life, to the Holy Trinity and I give it my FIAT, and as a warrior belonging to this army, I declare myself free from all ties, being therefore totally docile to the inspirations of the Holy Spirit in my life, body, mind, spirit and soul. Amen

At the end of saying the prayer, and as belonging to the Marian Army of our Mother of Heaven, you will pray a mystery of the Rosary as a sign that the Captain of this Army is the Virgin Mary and as a sign that you belong to her and are faithful to her until the last consequences.

After doing this, I will have given you my sword as a symbol that you are soldiers belonging to the Marian Army, and that with it as part of your armor you will be able to fight against the demons, invoking me to come to your aid as well.

As soldiers belonging to this Army, and as part of the militant Army of Jesus Christ on earth, you must be prepared and vigilant so that when the time comes for your last FIAT, the definitive one, you are ready to line up at your posts for the battle that is to come to fight from now on against the forces of evil.

I say goodbye with the war cry,

Who is like God! Nobody is like God!

Lesson V - The shield of Saint Michael the Archangel

(November 4th, 2019)

I, Saint Michael the Archangel, Prince of the Celestial Militia and Leader of my Militant Army, come in the name of the Mother of Heaven to give this message to the Marian soldiers, who carry the banner of the Virgin in their hearts.

In this important message, I, as Prince of the Celestial Militia, Leader of this Army commanded by the Virgin Mary of Guadalupe, I want to give you my Shield, by her orders, to protect you from evil spirits and demonic works that the evil one forged against the people of God.

This Shield will protect you in battle and together with the Sword, it will form part of the Armor that I, Saint Michael the Archangel, give you today.

And you will receive it through this prayer in front of the Blessed Sacrament.

PRAYER

As a soldier belonging to the Army of my Sweet Mother of Heaven, I receive from Saint Michael the Archangel, his faithful warrior, this Shield, as protection against the onslaught of the enemy, and as a warrior belonging to this Army, I place it at the feet of my Beloved Mother, so that together with my Sword, bless you and give me the strength and courage and the knowledge to wisely use these weapons that Saint Michael the Archangel has given me for battle.

Today, I received it from Saint Michael the Archangel, and I proudly carry it before this great Army led by Saint Michael the Archangel and led by the Virgin Mary.

Amen

After saying this prayer, you will pray a Mystery of the Rosary. You will seal this pact of warriors with me, praying the exorcism prayer of Pope Leo XIII, since this Armor is your protection in the battle against the forces of evil and will defend you from the enemy in the bloody battle.

Carry them with certainty and pride as belonging to this great Army of our Lord Jesus Christ and His Mother.

I leave you with the war cry,

Who is like God! Nobody is like God!

Lesson VI - The Armor of Saint Michael the Archangel

Message given to Lorena from Saint Michael the Archangel (November 20, 2019)

I, Saint Michael the Archangel, as the leader of my Militant Army, want to tell you how you should use the Armor that I have given you to fight against the enemy of your souls. Therefore, take your Armor both day and night, and use it to protect yourself and fight against the hosts of evil that invade the entire world.

But today I will tell you how to use the Armor.

The helmet that I give you will protect you from the bad thoughts and temptations that will come to your mind induced by the demonic forces that inhabit the air.

The breastplate will protect your heart from every dart of the enemy that seeks to instill in you bad feelings of hatred or selfishness towards your brothers. It will protect your heart from all bad feelings that seek to impoverish your soul.

The sandals will direct you on the right path. A path to God that takes you safely to the heart of the Virgin Mary.

The belt will help you to have a good balance between the do's and don'ts and help you to follow the path of good.

The sword is your defense. These are your prayers and good works, with it you will defend yourselves from evil and attack it, because prayers weaken the action of the evil one in your lives and help the plan of redemption to be carried out. Therefore, pray without ceasing, and fight with your sword against the forces of evil.

Your shield is very important, because with it you will defend yourself from evil, and this shield is based on the love that you have for the Holy Trinity. Since love can do everything, conquers everything, love destroys evil and leaves the enemy inactive. Therefore, love all your brothers and God with all your heart.

This Armor will help you against the forces of evil, for this reason it is important to wear it every day, and to wear it, you will pray this prayer every day:

PRAYER:

I, as a warrior of the Militant Army of Saint Michael the Archangel, today wear my Armor and with it I defend myself against the onslaught of the enemy asking for the protection of the Holy Trinity, Saint Michael the Archangel and the Mother of Heaven, to help me to know how to use my Armor and give me the strength to overcome the evil of every day. Amen.

Before leaving home say this prayer so that you use your Armor every day and be protected against the forces of darkness.

Put everything on your part and give your best effort. I say goodbye with the war cry.

Lesson VII - First Fiat given by Jesus Christ

The mission of the apostles of the End of Times, message of Jesus Christ to Lorena

May 17, 2020

Today as your King and Lord, I have the name within my heart of each one of the Apostles of the End of Times. I carry your names engraved in the palm of My Hand and embedded in My Heart.

You are my warriors, the ones who illuminate the dense darkness. Listen Apostles of the End of Times, the apocalyptic trumpets announcing the war on my holy mountain between good and evil. Listen, Apostles of the End of Times, to my voice crying out in the desert. The last bells have just rung. It is war time. Its preparation is about to come to an end.

It is time for spiritual combat against the enemy, who has been defeated on the Cross. But he comes willing to take the greatest number of souls to hell, to feel powerful and triumphant. Moreover, he will not be able to, because I won on the Cross, and I came to save souls with my sacrifice of love. That is why the mission of the end of times is very important and necessary.

In order to carry out your mission, you need to have My Graces and My Gifts. Many of you will be received on this Pentecost, and for this day I ask you a lot of prayer, fasting and penance.

Your main mission is to save souls for My Kingdom through your prayers and testimony. Then it is to preach the Good News of My Gospel to every people, race and nation, and also the fight against the evil that besieges and persecutes you. But you should not fear. I know that My Father fills you and the Holy Spirit strengthens you. Protect yourselves with the power of My Blood and take refuge in My Wounds.

These three missions have been entrusted to each one of you as Apostles of the last times, chosen by the Father by Divine Decree from before you were born.

This is why today I call you to be prepared for the final fight against my adversary. You have My Power and the Power of the Holy Trinity within you. You will fight with all your might against evil because these are forces coming from Me. I have named you Apostles of the end times and embedded your name in My heart, and I have chosen you as a light of the nations.

You will preach My Word to all the people, races and nations, bearing witness to Me, wherever you go. I carry you in My thoughts and in My heart, and I guide and protect you from all evil.

You My Apostles of the end of times, are testimony of life before your brothers, you will bring many souls to Me. The Warning to all humanity, My Father's Last Work of Mercy, will be very soon. You need to prepare hard for the battle.

I will give you Divine infused knowledge so that you can evangelize. And I will endow you with great gifts and charisms, but first you must take the final step in your preparation, and for the last time your FIAT to the Holy Trinity to seal the pact between you and the Holy Trinity and to be filled with the Holy Spirit, so that He transforms you and fills you with His Strength and Power.

Stay alert for this big battle. For this you must go to the Blessed Sacrament and give your FIAT to the Most Holy Trinity with a lighted candle, a Bible and an image of the Most Holy Mother, and of St. Michael the Archangel, and the Most Holy Trinity, and you will say this prayer.

Prayer:

As an apostle of the end of times and as a Warrior belonging to the Army of Our Lord Jesus Christ, I surrender myself to God the Father, God the Son and God the Holy Spirit, so that they take me and fill me with their strength and power, to be able to carry out my mission in this end of time. And as an unworthy child of God the Father, I give, with all my strength, my FIAT to the Holy Trinity, sealing it with a pact of love between Her and me, where I promise to fulfill my mission and everything that Heaven asks of me in this bloody war between good and evil. I am stunned in the presence of the Holy Trinity, so that being nothing, it can fill me like an empty wineskin with the strength of the Holy Spirit, and with its outpouring in my soul, body, spirit and mind, I can be ready to carry out my mission. Amen.

This act of Adoration in front of the Holy Trinity is a watershed in your last preparations to give way to the battle. You must give this FIAT from today on, every day until you are given indications that the battle began openly in its last stages. Pray every day in preparation for your final fight against the forces of evil.

This prayer will strengthen you and seal a pact with the Holy Trinity every day, reaffirming and confirming your mission as Apostles of the end times.

I, as your King and Savior take care of you, guide and protect you.

I leave you with My Peace, in the name of the Father, the Son and the Holy Spirit. Amen

Lesson VI - Spiritual Metamorphosis (February 29, 2021)

The spiritual metamorphosis is what you have been experiencing throughout this preparation as a Marian army, which happened step by step and little by little, you have advanced in spirituality to reach your final transformation from caterpillars to butterflies. You have been refined and molded, each one, in a different way, but you have all been called to carry your cross in order to have your final transformations.

You have been advancing on your path little by little, step by step. You have been given the tools to achieve spiritual growth, and today that you are in the final stage, you are asked to give your last effort to reach the goal.

The preparations have not been easy, there have been falls and attacks, but God has allowed everything for your spiritual growth, so that you can shine in the darkness of the world and illuminate the darkness.

That is why you are asked to put everything on your part in this final stage. A stage that you will carry out in these last days of preparation, where I, as your guide, ask you to carry out the following steps.

As grown children of God, you must have learned to live in the Divine Will, so that by giving your FIAT you can grow more and can enter into the Mysteries of the Most Holy Trinity and become one with It, being one heart with that of the Father, The Son and the Holy Spirit.

This is a growth that you have had and that has been gradual, little by little, in the midst of vicissitudes, you have reached this point where you surrender all your will to the Father.

To have reached this point as chrysalis in full transformation, you must have already renounced the world, your own selfish self that only leads you to want more for yourselves, making little gods full of pride and vanity. Therefore, renouncing yourselves, you are filled with My Presence, and you are all Jesus Christ.

We are reaching the last point of the transformations. Learn to live in the Divine Will. This is the big step that we ask of all of you as a requirement for your final transformations. For this reason, you must have already gone through several spiritual deserts, restlessness, loneliness and silence from God, making them mature in your spirituality, coming to live the Divine Will, doing all the Acts of God in which we ask you as the last step of your transformation.

If you are close to arriving or have already done so, we are waiting for you until this Pentecost to be able to fully pour out all the gifts, Graces and charisms destined for all of you as part of your missions.

Remember to learn to live in the Divine Will by giving your second FIAT where you will convert from caterpillars to butterflies to wait for the third FIAT, which is the Marriage with the Lamb. The second FIAT will lead you to unite your will to that of the Holy Trinity, and the third FIAT to marry Jesus Christ.

We are waiting for you all at the Wedding of the Lamb.

FIAT! FIAT! FIAT!

Lesson VIII - Second Fiat given by the Virgin Mary of Guadalupe

(May 5, 2021)

Dear Apostles of the end of times, you have been engendered in my Womb to go to give birth to the Nations. Today, as your Mother, I ask you to give your FIAT this Pentecost, so that, with this second FIAT, you can finally be given birth in my Womb on the day of the illumination of consciences. The third FIAT will be given this day, and you will be given birth as Apostles of the end of times, ready for battle and to go to war.

That is why I need you to prepare for this second FIAT.

You will understand what it is to live in the Divine Will and you will be ready to be able to put into practice what has been said: The Will of God in your lives will exalt you above Heaven, and will make you one together with the Holy Trinity, merging your hearts to that of the Blessed Trinity to be able to give the third FIAT of your total yes, and be fully clothed in the Holy Spirit, and go out clothed in His Power, to proclaim the good news and Evangelize and give everything that Heaven has given you giving as preparation so that, as Apostles of the end of times, you can take the message of salvation to the whole world. For this I need you to prepare for this Pentecost with many prayers, fasting and penance. Dress yourselves in fine linen with the power of the Holy Spirit to be able to go out to give the message of evangelization. But for this you must first have given your second and third FIAT.

The Warning is very close; therefore, I need you to prepare as much as possible for this second FIAT, in front of the Blessed Sacrament, but if it is not possible to have access to an Adoration Chapel, do it, via the Internet. You will put an image of me in the Invocation of the Virgin Mary of Guadalupe, one of the Holy Trinity and another of Saint Michael the Archangel on your Altar in front of the Blessed Sacrament and you will say the following prayer.

PRAYER:

As the Apostle of the end of times and warrior of the Army of the Mother of Heaven, from now on in front of the Blessed Sacrament, I want to give my second FIAT to the Most Holy Trinity, giving it all my being, so that it may take it, and do with it what I want, so that the Holy Trinity clothes me with its Magnificence and prepares me for my final mission. Amen.

After giving the second FIAT, you will say this prayer of the Divine Will as a sign that you have learned to live totally in it.

PRAYER:

Today, I (name) form my will to the will of the Father, the Son and the Holy Spirit, taking my Heavenly Mother as a model, following in her footsteps and today surrendering my will to the Holy Trinity, now and forever. Amen

When you finish saying these two prayers, you will say a Rosary and say goodbye, giving thanks for having sealed the pact between Heaven and you.

All this must be done in a state of grace, preferably by receiving communion the body of Christ the same day. This will be the day of Pentecost. On this day the Father, the Son and the Holy Spirit will pour out on you abundant gifts, Graces and charisms, so that, anointed with the power of the Holy Spirit, prepare your souls, minds and spirits for the Illumination of Consciences, and be ready and prepared for the day where you will be given birth and reborn to your final transformations as Apostles of the end of times, reaching spiritual maturity to be able to carry out your missions.

As preparation to give the FIAT on this Pentecost, you will say this prayer before the Holy Trinity every day, from today until the day of Pentecost:

PRAYER

I, as an Apostle of the end of times, prepare myself to give my second FIAT to the Holy Trinity on this day, giving it my will, my whole being so that through this delivery I can continue to gestate within the womb of my Mother, the

Virgin Mary of Guadalupe in these last days in order to be able to be given birth on the day of the Illumination of Consciences. Amen.

After saying this prayer, you will pray to the Father asking him to pour out everything necessary on your minds, souls and spirits to be able to carry out your missions.

This message will be made known to all the Apostles of the end of times through my daughter today and so that you can prepare for this very important day: the Illumination of Consciences.

You are loved by your Beloved Mother of Heaven, the Virgin Mary of Guadalupe.

Lesson IX - Third Fiat given by Saint Michael the Archangel

April 1st, 2022

I, Saint Michael the Archangel, after having gone through this arduous path of spiritual preparation within your calls to a life of conversion, I want to congratulate my army; many of you have reached middle age within your transformations and are about to become butterflies in the Warning. Therefore, for those who still lack spiritual preparation, I ask you to study the compendium of all the messages given to Lorena, so that, following the instructions, step by step, you can be guided and see what you need in your preparations.

It is important to consider this stage of growth that has been delving into the unfathomable secrets and mysteries of the Holy Trinity, and has been leading you, step by step, to give your FIAT. For this reason, today I want to give the third FIAT to all of you, the one that you must give me on the day of the Illumination of Consciences. It is important to memorize it because the Holy Trinity awaits you so that this day is given in front of It, and you have all possible dedication and availability.

PRAYER.

“I, (name), as a son of the Most High, come to give my Third FIAT before the Most Holy Trinity; and with a pure and childlike heart, I give him my whole being so that he can take it and do with it what he wants. I surrender all my

will and everything I possess so that I no longer live, but Jesus Christ who lives in me; and thus, stunned before the Holy Trinity, I clothe myself with the power of the Holy Spirit, to be able to carry out my laudable mission in this end of time.” Amen.

It is important that you memorize it and prepare for this Pentecost, where you will be given a part of the Gifts for battle, with prayer, penance and fasting. That's all for my part, I say goodbye with the war cry:

Who is like God! Nobody is like God!

Lesson X - Message from Saint Michael the Archangel to Lorena – Preparation of the militant army before the Illumination of Consciences

December 5th, 2022

I, Saint Michael the Archangel Prince of the Heavenly Militia and Leader of My Militant Army, on this special day for Heaven, because it is the day that Heaven makes known to the Militant Army before the Throne of God the Praying, Practicing and Firstfruits Soldiers are recognized and given to the Final Preparation that Heaven entrusts to you since all of you have followed Steps in your Walk as an Army, you have already consecrated yourselves to the Immaculate Heart of Mary and to the Sacred Heart of Jesus, to Saint Joseph, to me, to God Father and the Holy Spirit and have traveled a Walk of Prayer, Penance and Fasting.

The Tribulation is about to begin, and you need, as an Army, to already have your Heart Clean and Pure like Children and Free of ALL TIES, because this Pure and Child Heart is what you need to be Transformed before the Illumination of Consciousness.

For this reason, we will make the LAST PREPARATIONS, so that your Hearts can be ready, it is IMPORTANT to keep in mind that your Hearts must be HEALTHY, from ALL RESENTMENT or FEELING OF HATING REVENGE.

You must be TOTALLY FREE of all Worldly attachment, and even Family, since you will have to leave EVERYTHING to follow Jesus Christ and fulfill your Missions as Firstfruits, Praying Soldiers or Practitioners.

Since there is little time left, I will be giving you the Last Steps to follow to reach the Sixth Chamber, since you will soon receive the Illumination of Consciences, and your Last Gifts and Final Missions.

FIRST STEP: You must first of all have the Conduit of the Holy Spirit Clean, so that He can dwell in your Hearts FREE OF ALL TIES, for this reason we will make a Prayer of Renunciation of everything that may be in your Heart, that DOES NOT let you be FREE, so that the Holy Spirit flows in you with all FREEDOM.

This is the MOST IMPORTANT step because, if you DO NOT let the Holy Spirit flow in you FREELY, you will NOT be able to let Him Completely Transform you and this will be in the blink of an eye, but you must have faith and a willing Heart and READY to let the Holy Spirit Flow into you.

For this reason, RENOUNCE ALL WORLDLY AND EVEN FAMILY ATTACHMENTS, to all small Feelings that may still be in your Hearts, with this Prayer that you will say before the Blessed Sacrament:

PRAYER:

As a Soldier who is a member of this Army of Saint Michael the Archangel, I RENOUNCE today before the Blessed Sacrament ALL HATE or RESENTMENT that may exist in my heart. And to ALL Mundane and even Family attachment, GIVING UP ALL of it, in order to have a CLEAN and PURE HEART and FREE FROM ALL TIES.

THROUGH THE BLOOD OF JESUS CHRIST, shed for me on the Cross, I RELEASE myself from ALL TIES OF SIN, HATE, RESENTMENT or ATTACHMENT TO THE WORLD or TO MY FAMILY.

To be FREE from ALL OF IT, to be able to CONVERT MY HEART INTO A READY HEART, to be able to RECEIVE THE INFUSION OF THE HOLY SPIRIT IN IT, and to be READY to receive my GIFTS, CHARISMS AND FINAL MISSION, for this End Times.

I DECLARE A PURE HEART, since, through THE BLOOD OF JESUS CHRIST, shed for me on the Cross, I AM HEALTHY AND FREE OF ALL TIES IN MY HEART and thus CLEAN AND PURE, I let THE HOLY SPIRIT WORK WITHIN IT. AMEN

You will say this Prayer IN FRONT OF THE MOST HOLY from today, until the day of the Illumination of Consciences to go FREEING your Hearts AND SO THAT ON THE Day of Illumination of Consciences, you are READY, and can receive your Gifts and Missions.

THE SECOND STEP: It is that after having said this Prayer, you will prepare yourself INTELLECTUALLY, so that through this HARD PREPARATION, you may be more willing to receive the INFUSION OF THE HOLY SPIRIT, although many of you will receive DIVINE INFUSED KNOWLEDGE, it is necessary to prepare also INTELLECTUALLY. For these you will read the Bible, the Catechism of the Catholic Church and the Book of Heaven by Luisa Picarreta, so that you know the Divine Will of God in your Lives.

THIRD STEP: It is Feeding the Spirit, with PRAYER, PENANCE AND FASTING, WORKS OF CHARITY, SACRIFICES AND VISITS TO THE BLESSED SACRAMENT and a Life aimed at Living the Divine Will of God in your Lives.

FOURTH STEP: IT IS VERY IMPORTANT, it is to be SPIRITUALLY HEALED, for this reason you will pray the Healing Prayer given to Lorena by Saint Raphael Archangel EVERY DAY.

With these 4 STEPS, you will be able to Heal and Liberate yourself to be ready for the day of the Illumination of Consciences, there is a lot of work to do and there is little time left, do it trusting in God, I also ask you to Pray A LOT for Sinners, for the Peace of the World and so that the Wrath of God falls with less Rigor on Earth, remember that the Punishments can be lessened with your Prayers. Everything is written, but the Punishments provided by Heaven can be REDUCED with your Prayers, carry out these 4 Steps given by me and prepare your Hearts more than anything.

I leave you with the War Cry,

WHO IS LIKE GOD, NOBODY IS LIKE GOD!

Segunda Parte Puede un Hombre común y corriente convertirse en Primicia

CAN A MAN BECOME A SUPERNATURAL BEING (FIRSTFRUIT)

JULY 25, 2017

FIRST TOPIC

The supernatural truths of God the Father can only be glimpsed in the light of faith, it is as if a blind person wanted to see, a deaf person wanted to hear, a lame person could walk well, it is really impossible, but if we see this reality in the light of faith we will have to first invite Jesus Christ to perform the miracle in our lives, through faith in his word, in his gospel, in his teachings, to be free from all ties, ailments or physical defects that invalidate us to see beyond because we do not have the ability to do it.

However, if we ask Jesus Christ to heal the eyes of the blind, open the ears of the deaf, and alleviate the foot of the lame, something that can only be achieved with a pure spirit, soul and heart, with this we will be able to heal those ailments that make us incapable to see, hear or walk like others, then our eyes in the light of faith will be able to see surprising and wonderful things that we are not capable of seeing when we do not die to our carnal senses, because when we die to our carnal senses the blind see, the deaf hear, the lame walk well, and it is then when in the light of faith we know that the liberation of our soul will have an effect on our physical ailments and we are totally healthy in mind, body and soul and above all in spirit.

Therefore we can know and accept the highest and incomprehensible mysteries of creation, but for this purity of heart is necessary, and openness to God the Father, God the Son and God the Holy Spirit, this openness that is obviously not a dogma of faith, neither a theological foundation for not having validity nor human support because it is of a supernatural nature, it will open our senses to the spiritual world, which we cannot physically touch, but nevertheless it is very real and true, because it is a spiritual world in which there are very different rules and guidelines to follow than in humans, because they are based on these rules and guidelines of a divine logic and incomprehensible to the human mind, which is why the human being, not having a very spiritual growth elevation and humility of heart cannot know things that escape the subjectivity and objectivity of human reasoning, because they are irrational and incongruent for the human being.

However, this mysterious spiritual world can be understood by humans who have a very high Spirituality and because it is an open conduit to the light of the Holy Spirit, they understand everything perfectly, things that many people in the world due to spiritual and mental arrogance and all kinds cannot even think about it and to justify that incomprehensible Spiritual reality they resort to easy solutions that calm their spiritual arrogance and egoism centered on them, the solution that will feed the soul of themselves to continue impoverishing themselves as semi-Gods incapable of flying towards the freedom of the soul because they are subject to sin, being tied to feelings of greatness that in the light of faith are poverty.

These poor human beings will never understand unfathomable mysteries or unreal rules that are the foundation of supernatural life in the logic of God where $2 + 2 = 4$ may not be true because his omnipotence and supernatural flow of the Holy Trinity leads him to exclaim that if in his omnipotence he wants to conceive that $2 + 2 = 7$, he can do it with all the power that comes from God.

This is easy and difficult to understand because they are unfathomable mysteries of God of a supernatural nature, which are sustained by an irrational logic and incomprehensible to the human mind because the limited human being in the face of these incomprehensible situations does not know how to defend himself, basing his human and erroneous theories on a spiritual blindness that leads him to affirm that everything comes from human logic.

However, it is through faith in Jesus Christ that the blind see, the deaf hear, the lame walk, God heals those foolish and small souls, exalts them, makes them sublime and supernatural.

Can an ordinary man of flesh and blood become an angelic or supernatural being?

Not within human logic, but within the supernaturality and omnipotence of God everything is possible, a normal human being can become a divine angelic being therefore supernatural and this can happen, and we can say in the light of faith that $2 + 2 = 7$.

So, if I raise my wings to the sky, I know that I will fly, not by human logic, but by the spiritual dimension that will give me the faith to believe that I will indeed fly.

This supernatural logic of myself nourishes my spirit, therefore it is no longer difficult for me to delve into the mysteries of faith and the supernatural, coming to the conclusion that this theory was not false, but on the contrary, I do not understand it with my human and limited capacity and mind, but if I open my senses in the light of faith to the light of the Holy Spirit, it is easy to understand that 2 plus 2 is 7, because God's logic is supernatural and not human.

Because simply and easily the supernatural and almighty God breaks into human logic, finally making the blind see, the deaf hear and the lame walk well, this breaks human schemes.

But why not think that not everything is written, looking at the divine logic, his omnipotence and supernaturality, we can say in the light of faith that he did not want to leave everything written, because they are incomprehensible to humanity, he proves his love, faith and availability of to do his will even at the cost of everything and everyone and because his faith is not based on anything palpable, he is capable of walking on water without sinking, going through the red evil without drowning or accepting, like the Virgin Mary, the divine will through of the archangel Gabriel.

He can raise the sick, taking poison and not dying, walking on snakes and dragons because his faith is not founded on anything tangible, on anything written, and this is the faith that God asks of us, the faith founded on our love for God, not on something palpable and written by men.

But faith based on God makes us grow and reach unsuspected heights, which is when the theological virtues are born in the human being, therefore, unsuspected and beautiful scales, paths that man discovers and makes his own, that nestles them in his heart and therefore make this being such a sublime and beautiful being in the eyes of the creator, because there is no stain or evil, his soul is transparent, he can freely go into the arms of his father, free from all ties and tell God Father, I am here to do your will.

Because I no longer live but Jesus Christ in me, from there the roots of holiness begin to sprout, which only need special care for the seeds to grow, since the roots are there, therefore it is easy for these human beings, who already have passed these tests, that they can say thank you before the throne of God.

Suffering exalts, it makes you mature, grow, endure and strengthens the human being making him capable of shipwrecking in the sea of the world and sin, without succumbing because finally his future is God, but in order to be able to well-found faith in God it is necessary to have passed on the suffering based on all human faith that becomes when refined into divine faith that give us the guideline to understand the incomprehensible.

The suffering of the blind from not seeing, the deaf from not hearing and the lame from not walking properly, purifies them when God considers it prudent and then Jesus Christ appears in their lives and performs the miracle of being able to hear, see and walk and that is when Suffering purifies them that they are capable of understanding what is incomprehensible to the human mind in the light of faith.

Therefore, in the Supernatural Dogmatic Theology, in the light of faith, we deduce that here the blind saw, the deaf heard, and the lame walked, and due to their suffering exalted by the grace of Jesus Christ and divine logic, they understand by their purity of Spirit that 2 plus 2 is 7 in such an obvious way that it is not necessary to question it, so its logic is based on faith in God, not on human patterns or guidelines. That is why humans chosen for an important mission God allows them a greater suffering that enables them to purify themselves under this suffering, which can be physical or spiritual, and to be healed by Jesus Christ, to understand the unfathomable mysteries of the Father.

Because if they are not refined by pain they will not be able to carry out their mission, this suffering strengthens them it makes them more capable of understanding the incomprehensible, their human mind is not that of an ordinary human because due to their refinement they have infused knowledge divine and this makes him understand without problems that 2 plus 2 equals 7, and that God may have broken the schemes because he is omnipotent.

THE FIRSTFRUITS OF JESUS CHRIST

SECOND TOPIC

As the Firstfruits of Jesus Christ, it is necessary that you know the unfathomable mysteries of the love of the Father and the Son for humanity, as well as the maternal protection of the Mother of Heaven.

The Firstfruits at this end of time, were chosen from the womb of their mothers. They were gestated for this specific mission and were protected by the Blood of Christ, hidden from the enemy in His wounds, because throughout their lives they have been very besieged by it.

They are very special souls, because this mission has been reserved for a few souls, from the beginning of humanity to the end of time. Chosen from the beginning of humanity for such a praiseworthy mission.

The group of the 144,000 chosen ones comes from the 12 Tribes of Israel: Reuben, Simeon, Levi, Judah, Zebulon, Issachar, Gad, Dan, Asher, Naphtali, Joseph and Benjamin.

God leads his people Israel from the pilgrimage through the desert to their liberation as a new humanity.

Descendants of the 12 Tribes of Israel, coming from all corners of the world, they were chosen from their birth, protected from their first months of life, by special Angels, because they are not like other mortals.

On their foreheads they carry the Seal of the Living God, which means the Alliance of Christ Jesus with his People Israel, for the final fight between good and evil, at the end of time.

That is why in Revelation 7,3-4 it speaks of the 144,000 and says:

“Do not harm the earth or the sea or the trees, till we have sealed the servants of our God upon their foreheads.

And I heard the number of the sealed, a hundred and forty-four thousand sealed, out of every tribe of the sons of Israel.”

The 144,000 sealed ones are called with a powerful voice to their mission from their childhood. They feel that they do not belong to this world and are cruelly besieged by the enemy. Throughout their lives they have been refined in the

purification fire, forged in the Divine Light of the Holy Spirit, and begotten in the womb of the sweet Mother of Heaven.

Without their knowing it, they have been preparing their hearts since their childhood. They do not belong to the world and are characterized by not being contaminated.

Myriads of Angels protect them and have freed them from a multitude of dangers, especially spiritual ones, and the fire of Christ blows into their hearts and burns strongly, radiating a special light.

They are not like the others; they are warrior souls capable of giving their lives for their God and Lord. They fear nothing, only losing their soul.

They have a superior knowledge of the divine mysteries; they assimilate and understand them better than anyone. They will dwell in the New Jerusalem as part of the twelve Tribes of Israel.

Their names will be written on the doors forged by Angels, and the Archangels will guard the city, besieging it from all angles.

She is busy dressing herself in fine linen for her husband, because the fight has begun and so has her preparation for the Marriage of the Lamb.

Listen well, inhabitants of the earth! When the trumpets sound announcing the great battle in all the ends of the earth, the Firstfruits will hear them within their hearts.

They will know that the final transformations are near.

The whole earth has been polluted, we only have to clean it with the Light of Christ, which is found in each soul that ignites the whole earth.

The lights of the martyrs flash a reddish light, due to their blood shed for Christ, the lights of the Firstfruits flash a blue light, which means that they will give victory to good, together with the Virgin Mary, Jesus Christ and Saint Michael the Archangel. And the world, between the radiance of red and blue lights, will be seen from space as a ball of fire, which will slowly catch fire, exploding, and giving rise to the New Heavens and Earths, because the old things will pass away, and the new will prevail.

The Firstfruits generated in the womb of the Virgin Mary of Guadalupe, will be instructed by Heaven.

Since they were little, these people have been different from the rest and therefore hated and forgotten by the world; they never felt they belonged to or accepted by the world; there was always an inexplicable rejection towards them.

All the Saints would have wanted to be Firstfruits, because they are the ones chosen by God to make way for the Lion of the Tribe of Judah to come and establish his kingdom.

They will be endowed with Divine infused knowledge by the Holy Trinity, they will have knowledge never thought of before and they will be able to fly at the speed of thought. They will possess extraordinary gifts. All of them are from the twelve Tribes of Israel, descendants of the lineage of David. People with indomitable spirits, rigorous in their spiritual life, followers of God and his precepts.

They are like lights that illuminate any darkness, because God has taken their hearts, and has put them in new wineskins, separated from the world.

There is no filth in their hearts, they radiate the Glory of God through the extremities of their hands and feet, and also through their foreheads.

His rays that emanate giving light to the world, give and infuse the Spirit of Christ to his brothers.

They do not feel hatred or resentment, since in their transformations they will reach the sixth chamber in their hearts, and they will live the reign of Christ Jesus in their spirits, souls and hearts from earth.

Secrets and mysteries will be revealed to them, they will be able to penetrate the minds and hearts of people.

Men and women forged in suffering who only have one ideal in their lives, to serve Christ Jesus.

When they were conceived and God instilled the breath of life in their souls, he put a different flame from those of other souls. It is a flame that radiates

the light of the Holy Spirit, which has been growing and developing throughout their lives until it reaches its final transformation, first passing through the womb of the Mother of Heaven and receiving the final instructions in Heaven through of the Holy Trinity.

Captained by the Virgin Mary, and led by Saint Michael the Archangel, they possess extraordinary strength and an indomitable spirit.

They have eagle wings and their hearts merge with that of Jesus Christ. They will breathe life into souls dead by sin.

Warriors of Christ, King of kings, Lord of lords. Special men and women, because they were born to rule the Heavens and New Earths.

They will be freed from the chains of sin, since when they are transformed, they will fly free into the hands of the Father, who will receive them in his hands and there will give them the last instructions, to go out to evangelize humanity, dressed in fine linen, with their tunics. whitened and resplendent with the Light of the Holy Spirit.

Firstfruits of Heaven, ready for the final battle! you will be escorted by myriads of Angels, so that when you preach the Gospel to all people, races and nations, you will go unnoticed by the antichrist.

Firstfruits, almost ready for the great combat, with the Seal of the Living God on your foreheads, distinguishing you from the other beings by these described characteristics. You will fight the antichrist, lead your brothers and lead the great crowd into the New Millennium.

You will fearlessly preach the Gospel and face the hosts of evil with the power of the Holy Spirit, overcoming all obstacles you will be able to finish your mission.

Firstfruits trained to give their lives and give their soul and spirit to the Father.

Instructed by Heaven. For being chosen since the fall of Adam and Eve, to bring the Victory of Jesus to the world; you together with the Virgin Mary, Saint Michael the Archangel, Saint Gabriel and Saint Raphael, will pave the way for the Lion of the Tribe

of Judah, because as a powerful King of kings, he will give the triumph of good over evil. What a greater honor than paving the way for the King of kings, Lord of lords. What luckier souls and loved by the Father are the Firstfruits, who entrusted them with such a laudable mission.

From space you can see the dark earth and a few little red and blue lights that begin to emerge, radiating their light, a light that spreads little by little, until the earth is covered in fire and is renewed.

The mission of the Martyrs and the Firstfruits is very important in the renewal of the earth, because with their blood the Martyrs renew the Church and the world and the Firstfruits with their light pave the way for the Lion of the Tribe of Judah, so that they with the light that radiate from their hearts, give way to the emergence of the New Heavens and Earths.

And together, Martyrs and Firstfruits, will see the triumph of the Lion of the Tribe of Judah. The entire world will be lit and then renewed, although the evil today is very great, the lights begin to light little by little, one after another, and they begin to illuminate the earth, and soon it will burn, and the triumph of the United and Pierced Hearts of Jesus and Mary will come. Army of Christ, Firstfruits of Heaven, sing and praise God and together, in unison let's shout:

Who is like God! Nobody is like God!

SPIRITUAL METAMORPHOSIS IN THE LIGHT OF THE HOLY SPIRIT IN THE LIVES OF GOD'S CHILDREN

07/27/2017

THIRD TOPIC

The human being made in the image and likeness of God by divine decree and love for man intends through this appendix to establish effective communication in each human being so that in the light of the Holy Spirit they can begin their Metamorphosis.

This Metamorphosis is necessary to be able to gradually acquire the supernatural gifts that will be given to the Firstfruits, but for this the "first

topic" must have been fully understood (Can a common man become a supernatural being, Firstfruit) and have lived this topic, because the one who is not refined in pain and suffering is not a Firstfruit, so this is a necessary guideline so that all those who aspire to be Firstfruits and have NOT suffered the purifying pain of the deaf, lame and blind know that they have NOT been called to this praiseworthy mission because they simply and easily do NOT have their soul prepared to be able to carry out this mission of a universal nature.

Therefore; the first premise is to have been refined in suffering, the second premise is to understand that two plus two equals seven, the third and most important is to ask Jesus Christ to heal each one of you so that you can hear, see and walk once healed, you will be able to fly into the arms of the Father and tell him here I am to do your will, because it is no longer I who live but Jesus Christ who lives in me.

This healing step that we have already been living is the stage of Metamorphosis to which all the Firstfruits are called to live, therefore you feel in your hearts that you are a Firstfruits by the following steps:

1.- Crushed in pain

2.-Understand that two plus two equals seven because the will of God is Omnipotent and supernatural, therefore a characteristic of the firstfruits that we have already mentioned many times is:

2.1 Child's heart

2.2 Humility and simplicity

2.3 Openness to the outpouring of the Holy Spirit

2.4 Recognize that God's will is so beautiful and sublime because it is to feel the love of God the Father and give thanks to him for all you have experienced.

2.5 Love of the Cross

2.6 Trust totally in the designs of God the Father.

2.7 A Firstfruit must have the availability and fervent love for Jesus Christ so that he would not mind giving up his life for Him.

| This stage of Metamorphosis is painful because it is like when butterflies are being transformed, from a carnal man to a supernatural human being because he is no longer an ordinary human being his mind is open to knowing incomprehensible designs and mysteries of God, and acquire an endless number of extraordinary gifts that an unlimited human mind could not handle because you would die in the attempt, inflame with ego and not fully develop the gifts, it would be counterproductive because your gifts would not be fruitful in it, that is why One must first comply with the aforementioned points: refinement, knowledge of the omnipotence and supernaturality of God the Father, therefore, of the premise that two plus two equals seven and all the aforementioned premises. This stage of Metamorphosis is very hard because it means dying to the flesh to the world and to sin, therefore, if you do not die to these three premises you will not be able to see, walk and hear, when you open your eyes, uncover your ears and you can walk Well, then the Metamorphosis will be almost complete and the premise that two plus two equals seven will be fulfilled in you, and you will be ready to receive supernatural gifts such as levitation, flying at the speed of thought, mind reading, divine infused knowledge, mental powers and knowledge of the mysterious Divine Designs and the total and perfect union of your spirit to that of Jesus Christ through the infusion of the Holy Spirit.

Resulting in a supernatural human being who is no longer an ordinary human being because he has broken the schemes and God instills in him his breath of life because through the infusion of the Holy Spirit and the help of the intercession of the Holy Trinity , he will be able to carry out his laudable mission of the end of time as a human being of a supernatural nature who has transformed from a caterpillar into a butterfly.

For this reason, it is necessary that all soldiers who meet these characteristics and have given their Fiat as active soldiers study in depth what Supernatural Dogmatic Theology is in the light of Faith, which are the foundations that the Father asks of his firstfruits so that in the light of the Holy Spirit they understand their missions and can learn the unfathomable mysteries and

incomprehensible to the human mind, which are therefore understandable to men with a supernatural mind and soul who are the Firstfruits.

I say goodbye with the war cry of my beloved faithful guide and patron Saint Michael the Archangel.

Who is like God, Nobody is like God!

DISCOVERY OF GIFTS AND CHARISMS

It is important to start working with gifts and charisms, all of you from birth have gifts that we will call conventional because they are the ones that according to your genetic and spiritual inheritance you have from birth, it is important that you know and develop these gifts. It can be dancing, singing, writing, what you are good at and so is your vocation, if you are married, live in celibacy or consecrated life.

It is important to discover the conventional gifts because often from there arise the other gifts that we will call extraordinary and these are received when you have an intimate contact with my Father God, it could have been in an Evangelization retreat, in an hour of adoration, we will call these gifts of the Holy Spirit and charisms, which are quite a lot and we will explain them more fully later on. The purpose of this appendix is for you to recognize them and to be able to develop them, we will give you this brief overview of what gifts and charisms are:

The Gifts of the Holy Spirit are:

Wisdom: It is the gift of understanding what favors and what harms God's project. He strengthens our charity and prepares us for a full vision of God. Jesus himself told us: "When they deliver you up, do not be anxious about how you are to speak or what you are to say; for what you are to say will be given to you in that hour; for it is not you who speak, but the Spirit of your Father speaking through you" (Mt 10, 19-20). True wisdom brings the taste of God and his Word.

Understanding: It is the divine gift that enlightens us to accept the truths revealed by God. Through this gift, the Holy Spirit allows us to scrutinize the depths of God, communicating to our hearts a particular participation in divine

knowledge, in the secrets of the world and in the intimacy of God himself. The Lord said: "I will give them a heart to know that I am the Lord; and they shall be my people and I will be their God, for they shall return to me with their whole heart" (Jeremiah 24,7).

Knowledge: It is the gift of knowing how to discern paths and options, of knowing how to guide and listen. It is the light that the Spirit gives us to distinguish what is right and wrong, true and false. The Holy Spirit rested on Jesus, and fully gave him that gift, as Isaiah had prophesied: "And his delight shall be in the fear of the Lord. He shall not judge by what his eyes see, or decide by what his ears hear; but with righteousness he shall judge the poor, and decide with equity for the meek of the earth; and he shall strike the earth with the rod of his mouth, and with the breath of his lips he shall slay the wicked" (Isaiah 11, 3-4).

Counsel: It is the gift of the science of God and not the science of the world. Through this gift, the Holy Spirit reveals to us inwardly God's thought about us, for "no one comprehends the thoughts of God except the Spirit of God" (1Cor 2, 11).

Piety: It is the gift that the Holy Spirit gives us to always be open to the will of God, always seeking to act as Jesus would act. If God lives his alliance with man in such an enveloping way, man, in turn, also feels invited to be pious with everyone. In the First Letter of Saint Paul to the Corinthians he wrote: "Now concerning spiritual gifts, brethren, I do not want you to be uninformed. You know that when you were heathen, you were led astray to mute idols, however you may have been moved. Therefore, I want you to understand that no one speaking by the Spirit of God ever says, "Jesus be cursed!" and no one can say "Jesus is Lord!" except by the Holy Spirit" (1Co 12, 1-3).

Fortitude: This is the gift that makes us courageous to face the day-to-day difficulties of Christian life. Faith returns strong and heroic. Let us remember the value of the martyrs. It gives us perseverance and firmness in decisions. Those who have this gift are not intimidated by threats and persecution, because they trust unconditionally in the Father. The Apocalypse says: "Do not fear what you are about to suffer. Behold, the devil is about to throw some of you into prison, that you may be tested, and for ten days you will have

tribulation. Be faithful unto death, and I will give you the crown of life.” (Ap 2,10).

Fear of God: This gift keeps us in due respect before God and in submission to his will, separating us from everything that may displease him. For this reason, Jesus was always careful to do the will of the Father in everything, as Isaiah had prophesied: "The spirit of the Lord shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and the fear of the Lord." (Is 11,2). To ask for the gifts of the Holy Spirit in our Firstfruits, first of all we will do the following, it is important to recognize that in order to receive the gifts of the Holy Spirit, we must put ourselves in the presence of God and open our hearts to the infusion of the Holy Spirit in our soul and spirit and in our conscious, subconscious and unconscious, for this reason we must be free, from all contamination, be it visual, auditory or sensitive.

For this reason, the generational curses must be broken and the traumas from the maternal womb overcome, for this you were given the prayer of Saint Raphael which we will annex to this appendix and we will pray every day, (the last one of the compendium will be shown) apart to cover our conscious, subconscious and unconscious with MY BLOOD, this is very important, otherwise we will not be able to develop the gifts and charisms, so we will follow the following instructions:

- Confession to free the Spirit and soul from sin
- Prayer of Saint Raphael to disrupt generational curses and overcome traumas from the womb.
- Cover the conscious, subconscious and unconscious with my blood as well as free the body and soul with prayer number one in order to discover and develop the gifts of the Holy Spirit and the charisms.
- Development and discovery of the specific and special gifts, therefore supernatural, of the Firstfruits with prayer number two.

PRAYER ONE

As the Firstfruits of my Lord Jesus Christ and willing to develop my gifts and charisms, I ask Jesus Christ to cover my conscious, subconscious and unconscious with his blood from all bad thoughts, suggestions, evil desires or attacks on my physical, spiritual and mental integrity that want to make a dent in my being so that the enemy does not interfere in my development of gifts and charisms for the glory of God and fulfillment of my mission in this end of time, I cover myself with the blood of Christ, I am filled with the Holy Spirit and I protect myself in the womb of my beloved Mother asking for the intercession of the Holy Trinity Amen.

We came to the conclusion that in order to develop the gifts of the Holy Spirit we have to be free in mind, body and soul and from there the charisms arise from the gifts, which is why many people do not develop them and think that they do not have them and that my Father God does not listen to them or does not choose them for specific missions, but the gifts and charisms are there, they just need to be developed, but in order to discover and develop them we need to know them, so we will give you a brief overview of what the charisms are :

What are charismas?

But, in addition, some specific people receive charismas. The Church, in Catechism number 799 tells us: "Extraordinary or simple and humble, charisms are graces of the Holy Spirit, which directly or indirectly have an ecclesial utility; the charisms are ordered to the edification of the Church, to the good of men and to the needs of the world."

Therefore, charisms are extraordinary graces of the Holy Spirit that allow us to act in specific aspects or circumstances.

Charismas are not requisites for personal salvation, the one who has greater charismas is not holier, and they are not received by baptism or by any other sacrament.

What are charismas for?

God grants them in an incomparable way within the Church, through the merits of Christ, for the common good, and for the renewal and construction

and usefulness of the Church. In each charism the Spirit reveals his presence with a gift that is also a service.

The Holy Spirit grants them to whoever he wants, thereby enabling and disposing him to assume some specific works and functions.

In the Number 800 of the Catechism: "...they are a marvelous wealth of grace for the apostolic vitality and for the holiness of the entire Body of Christ. The charisms constitute such a richness as long as they are gifts that truly come from the Holy Spirit and that they are exercised fully in accordance with the authentic impulses of this same Spirit..."

How do they act?

They are graces that can be from transient to more or less constant. The Holy Spirit gives them and takes them away according to his good pleasure. That is why each expression of charismatic appearance must be discerned if it comes from God or not.

The charisms arise in new and different forms according to the needs of the Church.

What are the charismas?

It is a futile effort to try to make a rigid scheme within which all the infinite dynamics of the Spirit fit.

Neither in the Catechism of the Catholic Church nor in *Lumen Gentium* of the Second Vatican Council there are exhaustive lists of charisms.

Saint Paul listed a series of charisms in 1Co 12, 4-12:

"Now there are varieties of gifts, but the same Spirit; and there are varieties of service, but the same Lord; and there are varieties of working, but it is the same God who inspires them all in everyone. To each is given the manifestation of the Spirit for the common good.

The one is given through the Spirit the utterance of wisdom, and to another the utterance of knowledge according to the same Spirit, to another faith by the same Spirit, to another gifts of healing by the one Spirit, to another the working of miracles, to another prophecy, to another the ability to distinguish

between spirits, to another various kinds of tongues, to another the interpretation of tongues. All these are inspired by the same Spirit, who apportions to each one individually as he wills. For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ.”

Considering that we cannot elaborate a complete list of charismas, if indicative schemes have been made:

Those that refer to the instruction of the faithful: the charism of an apostle, a prophet, a doctor, an evangelist and an exhorter, the word of wisdom, the word of knowledge, the discernment of spirits, the gift of tongues, the gift of interpreting tongues.

Those that have to do with the relief of the faithful: the charism of almsgiving, of hospitality, the gift of assistance, that of faith, healing graces, the power of miracles.

Those related to the government of the community: the charisma of the pastor, that of the one who presides, the gifts of ministry, the gifts of government.

There are many more charisms, such as the charism of religious life, the charism of the infallibility of the Supreme Pontiff.

In any case, the Church prudently establishes that “For this reason, the discernment of charisms always seems necessary. No charism dispenses from reference and submission to the pastors of the Church” (Number 800 of the CIC).

To develop the specific and special gifts of the Firstfruits, after having discovered and developed the seven gifts of the Holy Spirit and the charisms, we will discover and develop the supernatural gifts of the Firstfruits with this prayer, (it is important to follow all the previous steps for the months that remain before their final transformations, so we will carry out a questionnaire where they will summarize everything that has happened to them in these last months of preparation before their final transformations)

PRAYER TWO

As the Firstfruit of my Lord Jesus Christ, after having discovered my gifts and charisms, I ask for the intercession of the Holy Trinity and my beloved Mother of Heaven to guide me and help me to develop my supernatural gifts little by little and those that Heaven allows me to develop and put them into practice before my final transformation and through the blood of Christ, the infusion of the Holy Spirit and the powerful hand of my Father God I ask you to help me develop these gifts for the good of myself and of my brothers after having developed them the conventional and extraordinary gifts and charismas I ask to discover and develop the supernatural, with the intervention of the Holy Trinity and my beloved Mother from Heaven. Amen

After having discovered these three types of charismas and Conventional, Extraordinary, and Supernatural gifts.

You will be ready for your final transformations. STAY AWAKE BECAUSE I'M COMING SOON

MARANATHA!

Many of you have experienced changes in your souls, minds and spirits.

It is as if little by little you began to awaken to the spiritual life, to which I have called you as my Firstfruits.

You are more sensitive and persuasive to spiritual things and many of you have received charismas, which is why this appendix deals with the discovery of gifts and charismas starting with the conventional and the extraordinary.

The conventional ones you have been developing them throughout your lives, such as writing, music, singing; and the extraordinary ones are those that the Holy Spirit has given you and will continue to give you according to your mission.

We will do the following questionnaire, which you will answer and read mentally before the Blessed Sacrament, so that God the Father helps you in this stage of your important transformations.

1.-What conventional gifts have I had since I was a child, which have I been developing throughout my life?

2.-What conventional gifts are the basis or foundation of my extraordinary gifts and when developing them will help me to grow more spiritually?

For example, the conventional gift of being a good writer can be linked to that of prophecy that develops later based on the conventional gift of being good at writing.

3. - What conventional gifts have I been developing more lately?

4. - What conventional gifts do I have that will help me in my mission?

5. - What extraordinary gifts has the Holy Spirit instilled in me in my walk with Jesus Christ?

6. - What extraordinary gifts do I have that I have not been able to develop?

7. - What extraordinary gifts do I want to have, and do I think they will be effective for my mission? Mention them and ask the Holy Spirit for them with a prayer that I will give you to say from now on every day so that you can increase your gifts, both conventional and extraordinary.

8. - How will I cultivate my extraordinary gifts for my specific mission?

9. -Am I already clear about my specific mission in this end of time?

Remember that the Holy Spirit will corroborate your specific mission very soon, if not it has already been done. I, Jesus Christ as your King and Savior, want you to begin to grow spiritually for the moment of your final transformations, so it is important that you answer this questionnaire and read it in front of the Blessed Sacrament and every day say this prayer:

Prayer:

"I ask God the Father to help me discover, increase and develop my gifts, both conventional and extraordinary, with the Power of the Holy Trinity so that through the anointing of the Holy Spirit, I can develop them little by little to prepare myself for my final transformation and my specific mission in this end of time. I ask God the Father to help me increase them with love and giving my

best, I give my FIAT again to the Holy Trinity and I declare to be the Living Tabernacle of my Lord Jesus Christ. Amen.

You will say this prayer in front of the Blessed Sacrament and give thanks to God the Father, God the Son, and God the Holy Spirit for the gifts received this Lent, for those you will receive and for your specific mission at this end of time.

MARANATHA!

RECOMMENDATIONS TO INCREASE EXTRAORDINARY CONVENTIONAL GIFTS

The gifts are like a little plant that needs water to grow.

It is a seed that is there, but you do not notice it because they are small and to make them grow, they need water, light and air, and we represent these three elements with the Holy Trinity, Father, Son and Holy Spirit.

I, as the Son, tell you that you need the Holy Trinity to increase these gifts. For this reason, it is important to pray to the Holy Trinity every day so that we fill you with our essence in your souls and spirits.

And to live in the Sixth Chamber is to let the Holy Trinity inhabit your hearts in every sense of the word, flooding your souls and spirits with our presence of ourselves for being an indissoluble unit, like the Holy Trinity.

Achieving that is no longer you, but the Holy Trinity, who lives completely within each one of you. For this we will give you the following recommendations:

-Recognize that you are unworthy children of the Father and that without Him you can do nothing.

-By recognizing it, you will be free of all attachment to yourselves and your own self, leaving egocentrism and arrogance aside. Then you can leave your heart open to our powerful infusion into your hearts and souls, minds and spirits.

-When you annihilate yourselves before God the Father, and become nothing, then you will leave the door of the heart open for us to enter. Without this step, which is the most important, you cannot reach the others. As we begin

to live within you, you will feel different, you will feel great joy and peace, and more sensitivity to spiritual things.

There you will feel that the plant has received what is necessary to start growing, water, light and air. Then you will begin to feel your gifts flow from your heart little by little.

And to keep you growing and not let you die without food, you will go to prayer, penance and fasting, but not before having accepted the Divine Will of God the Father within you. That is why you must die to yourselves totally in order to increase your gifts.

After having prayed, fasted and done penance, you will offer your whole life to God the Father every day so that it is no longer you but Him and every decision you make will be God's decision and not yours. Then you will continue to nourish your gifts and charisms with Eucharistic Adoration, Mass and Communion. And having the mentioned elements will give the final transformations. Water, light and air, prayer, fasting and penance, Eucharistic Adoration, Mass and Communion.

With these elements you will be able to develop your gifts and charisms. The fertile land where the seed is sown is an open and sincere heart and also represents the Mother of Heaven, always remember to turn to her. The land where the seeds are sown is also faith and love in the Virgin Mary and letting her be your guide because through her you come to me. For this reason, the prayer of the Rosary is important so that she, with her maternal love, leads you to the Holy Trinity.

Earth, water, light and air result in well-sown seeds and ready to grow with prayer, fasting, penance, Mass, Eucharistic Adoration and Communion and these will strengthen and transform you and when you least expect it you will reach the Sixth Chamber and no longer it will not be you but the Holy Trinity who lives in you.

I will give you a little prayer so that you surrender to the Divine Will:

Prayer

As an unworthy child of the Father, I surrender all that I am and all that I have to God the Father so that the Holy Trinity may take possession of my body, soul and spirit. I give you my life so that from today it is no longer me, but God (Most Holy Trinity) who lives in me to increase my gifts and charisms for the service of my brothers in this end of time. I give my all because I no longer live but God (Holy Trinity) who lives in me.

Amen.

You will say this prayer and follow the indications mentioned and when you least expect it you will already be Living Tabernacles. Stay awake, I'm coming soon.

Maranatha!

HEALING PRAYER OF SAINT RAPHAEL ARCHANGEL - PART ONE

I, Saint Raphael, as the Archangel of health and healing, come to shower countless graces on the people of God and to give this important message to all soldiers.

I, as the Archangel of health, need to heal spiritual and mental wounds, both physical and psychological; traumas that throughout your lives have taken root in your souls, as well as illnesses that have developed in the gestation time of babies in the womb, both psychological and physical and spiritual.

I need the Soldiers to heal, to be able to advance to the Heavens and New Earths; remember it is very important that Soldiers be freed from all ties that enslave you to countless psychological, emotional and physical problems, and therefore spiritual.

They must be attacked at the root, a root that comes from the gestation of the embryo in the womb, since doctors seek to find solutions to diseases through science, when their origin is of a spiritual nature, because many psychological and health problems mental health often go back to the time of gestation of the fetus, which is when the baby in the womb is rejected and diseases develop that manifest later in adult life or in puberty or childhood.

The mother's rejection of her child, who seeks to find easy solutions to her pregnancy, is one of the causes of psychological problems, because with the

fact that the mother only thinks about it, that feeling affects the gestating embryo, feeling the rejection by his mother that affects his psychological and emotional integrity, because the spiritual bond that unites a mother with her child is very strong. Hence the importance of carrying a good pregnancy in all aspects, including the spiritual, which is very important, since it entails a full development of the baby.

Children rejected in the womb of their mothers are more likely to develop mental, psychological and psycho-affective illnesses when they grow up. Even diseases like cancer can develop if they are not healed spiritually. Generational curses are transmitted spiritually from generation to generation and can be healed with the power of the Holy Spirit.

As you can see, all this is not easy to understand and here you must go deep into spirituality and psychology. The behavioral canons of a person are derived from many factors: psychological, sociological, genetic, spiritual, generational and even environmental.

The way people behave varies and we do not understand how being brothers and educated with the same moral values and the same education, you are all very different; even twins develop very different and ambiguous behaviors from each other. This is because since their gestation, they are people with unique and different souls; from there arises the spirituality of each person that allows each one of them to develop their capacities and abilities according to their inheritance, not only genetic but also spiritual, which is different for each soul, since each one comes to fulfill a specific mission, that is why people develop different skills according to their mission.

Art in the human being is more than anything a spiritual inheritance, so it is a gift from God that is given to each one, according to their mission; It is something so beautiful that scientists do not know that each soul has different capacities and gifts.

That is why for a person to develop his gift, he needs a spiritual anointing at a certain stage of his life with his Creator, and from there art, music, song, dance, writing, oratory, even the vocation to marriage, celibacy or vocations to religious life. The fact that a young man is inclined to a priestly vocation, to a consecrated life or to marriage, comes from the spiritual inheritance that God

placed in his soul as a gift or present from Heaven freely given to men so that they can carry out their mission. That is why we need each Soldier to get to know himself in intimate contact with God, because it is time for him to develop his mission.

We will start with the most important thing, the healing of the soul, and this will lead us to heal psychological, mental and even physical illnesses.

I, Saint Raphael the Archangel, come to heal and in the name of my Lord, I come to give you the main steps to follow; in the place where you feel comfortable you will sit comfortably in your own homes, something that brings back a beautiful memory, like the chair that was your grandfather's, where you feel accepted and loved.

Remember that we will pray a prayer for healing and liberation from the moment of conception until the moment you are living; this will help you heal your souls.

Let us begin:

I am in the womb, everything is dark but I feel the warmth of my mother; through the umbilical cord I feed myself and I feel the timbre of my mother's voice: she is sad, angry, worried or attacked; I feel her heartbeat joining mine and there is a spiritual connection between her and me from the moment I was conceived; I hear her resounding voice and feel her like an angel.

From this moment I ask Jesus Christ and the Holy Spirit to heal everything that affected me inside the womb, which could have been insults towards my mother, attacks, screams that affected her psychologically and emotionally and therefore spiritually and that therefore affected me, unleashing diseases in my mind and soul.

I heal in the name of Jesus all negative thoughts or feelings of rejection of my mother towards me, everything that has influenced me to feel rejected and alone, because I felt the rejection of the only being whom I knew and in whom I trusted and this damaged my heart, triggering in me sadness, anxiety and loneliness. This led me to accumulate hatred and resentment without knowing why, since it inclined me towards a bad temper and made it difficult for me to comply with the Commandments and Precepts of the Church; because when I

felt the rejection of the only being I knew and in whom I blindly trusted, I unconsciously claimed it from God, and therefore I feel a spiritual rejection and it is hard for me to pray, fast and fulfill my tasks and prayer purposes.

I heal in the name of Christ Jesus every impure act of lust, passion or ill-intentioned sexuality that my parents have carried out at the time of my conception and gestation.

All these acts have affected my emotional sensitivity and sexuality; that is why I like to resort to masturbation, pornography, sexual debauchery and even homosexuality or lesbianism.

This lust on the part of my parents affected my spiritual integrity, sowing in me feelings of masochism, unbridled sexuality and even taking refuge in drugs or alcohol. I bind, in the name of Jesus Christ, all rejection by my father of my being at the moment of my conception; I free myself from all ties that at the cost of that feeling led me to be an insecure child in my childhood and with learning problems at school.

This lack of acceptance by my father at the time of my conception led me to develop inappropriate behaviors in my childhood such as: hyperactivity, learning problems or lack of concentration and bad behavior, because inside me I felt my father's rejection and I took refuge in my own ego, being an undisciplined and badly behaved child, or dull and lonely, carrying with me ideas of suicide and sadness in my development and psychological maturity, which led me to divorce and marital failure, being an unstable person, because inside me and unconsciously I felt rejected by a father figure, the one who gave stability to my mother, creating in me growing up, feelings of anguish and worry, which took a toll on my soul, mind and spirit.

I heal in the name of Christ Jesus, all sin against my spiritual integrity and that of my mother that has been carried out during my gestation in the maternal womb, such as reading cards, horoscopes, palmistry, New Age, satanic readings, yoga, reiki, consulting the stars, santeria or any occult rite or activity that damaged the spirit of my mother and mine, leading me to have an aversion towards God, because she opened the door to the enemy and therefore, within my body, mind and soul there is a being dissatisfied with life, moody, unable to love and forgive, selfish, arrogant, haughty, because the

enemy took possession of my soul, damaging it to such an extent that I am conceited and arrogant.

He planted in my soul the seven deadly sins and therefore it is very difficult for me to understand, accept and love others, because I am selfish and arrogant; therefore, I crave power and prestige even at the expense of others.

I like money, the excessive hunger for acceptance, I am aggressive and compulsive, I do not control my character and therefore I develop both psychological and physical illnesses, and even cancer, which affects my integrity as a human being, because my soul has not been released from the ties of the enemy that affect me, being a being closed to the grace of God, concentrating on my ego, making me selfish, petulant and arrogant.

I heal, in the Name of Jesus Christ, all bad influences in my being at the moment of conception and in my development inside my mother's womb.

I declare myself in the Name of Jesus Christ, free from all ties that lead me to act irresponsibly and selfishly with my neighbor and especially with my husband or wife.

I heal myself in the Name of Jesus Christ, all family rejection towards me by my grandparents, siblings or close relatives who influenced my bad temper, since my mother did not know what to do and transmitted to me that anguish and feelings of rejection by my family, and I felt rejected and unprotected; all of this led me to have few friends, to be unpleasant and lonely, not to relate well with my spouse, not to interact affectively with my children, to be selfish and insensitive.

That is why from today I ask for liberation and healing in the name of Jesus, from everything that affected me at the moment of my conception and gestation.

I, Saint Raphael the Archangel, emphasized the moment of Conception and gestation, because although you may not believe it, it is the moment in which the spirit and soul fully develop, and it is extremely important to heal wounds that have been carried since gestation, that these influence the behavioral canons of people and this affects and influences so that the spiritual gifts that God gave to each person do not develop well and that therefore you do not

know what your mission is; that is why I considered it pertinent to heal everything from the moment of conception.

Now we go to the first years of life, where the child's character and psychological and mental integrity are formed:

Sitting comfortably, recall every act that marked you in your lives, from newborns to five years of age, what you remember: some rejection, psychological or physical abuse, lack of attention, domestic violence. Everything you remember that marked you in your childhood and say:

"In the name of the Slaughtered Lamb and its Blood shed for me, I declare myself free from any bad influence or psychological, emotional or physical mistreatment towards me, from a call to attention that has affected me to verbal, psychological or sexual abuse.

I declare myself in the name of Jesus, free from all disease that has been triggered in my body, mind and soul and by that circumstance that marked me in my life, and I declare in the name of Jesus, that I am free from all ties and everything that led me to this physical or psychological condition that I have, as well as illnesses in my body or in my soul.

In the name of Jesus Christ, I declare that He has healed me and freed me from all evil that was the consequence of my childhood traumas. "Now go back to an age of six to twelve years and free yourselves in the name of Jesus Christ of everything that affected you in your physical, mental, psychological and emotional integrity and that does not allow the Holy Spirit to flow in you, and therefore do not achieve good communication and effective prayer with the Father.

Let the Holy Spirit flow into you and say:

"I declare myself free in the name of the Blood of Jesus Christ shed for me, from everything that in my childhood affected me in my psychological, physical, mental and spiritual health and I am free from all ties; therefore, I declare that I am healthy from all physical or spiritual illness in my being."

And so, with this prayer that I will give you next, you will heal each stage of your life that you are missing, until you reach this moment.

"I, as a child of the Most High, ask for healing in every part of my life in the name of Jesus Christ and by the Blood that He shed for me on the Cross, I declare myself free from all physical, psychological or mental illness.

Above all I declare spiritual healing in my soul, to be able to carry out my mission within my plan of salvation and that of all humanity in this end of time.

I am free to carry out my mission, since free from all psychological, emotional or spiritual ties, I will be able to let the Holy Spirit flow in me, which will give me the necessary strength to fulfill my mission.

Through the Archangel Saint Raphael and his powerful intercession and all the power of the Blood of Christ, I declare myself healthy from all evil in my being, free from all ties and ready to carry out my commendable mission. Amen. "

Now we go to the generational curses that come from the sin of your ancestors, which were inherited by them; therefore, a very strong and special prayer must be made, so that you are free of body, mind and soul from very strong and heavy chains. You will put a blessed candle on your altar and a Bible on one side, as well as the image of the Virgin in any invocation: a Cross and the image of Saint Benedict.

Sitting comfortably, you will pray to the Father declaring liberation in this way:

"I, as the favorite son of the Most High and heir to the future Kingdom of Peace of Jesus Christ on earth, need to free myself from the generational curses that weigh on me to carry out my mission.

For this reason, I ask my Lord Jesus Christ to come to my aid and with his power and the power of his Glorious Resurrection clothe my soul with his grace and make me free from all ties of sin and abomination of my ancestors that weigh on my soul and spirit. I declare myself in the name of Jesus Christ, healthy and free from all generational curses by the Blood of the Slaughtered Lamb that cleanses me, defeats and unties all the chains that oppress my soul and in the name of Christ Jesus I unleash all the generational curses that weigh on me. my mind, body and soul.

Free from all ties, I declare myself a person ready to carry out my mission that has been entrusted to me at this end of time.

I declare to be free to choose and I choose from now on to fight as a warrior of God, trained and ready for battle, willing to give my life for my Lord Jesus Christ. Being free from all ties and curses, I give my Fiat to the Most Holy Trinity and to my Heavenly Mother, letting the Holy Spirit flow in me from now on and fill me with its strength and power, giving me the necessary tools to carry out my mission. As the son of the Most High, I declare myself ready for everything that comes and in the name of the Blood of the Slaughtered Lamb I am free from all evil. Amen. "

After having been healed in body, mind, soul and spirit, you will give thanks to God at the next Mass you will attend; in this Mass, at the moment of Consecration, give your life to the Most High and offer everything that you are to your beloved Father God. Offer yourselves whole to Him and you will see that everything is easier.

I, Saint Raphael Archangel, as the Archangel of health, have given you the tools for your healing; carry out everything I told you and you will heal and be free to carry out your mission. I leave you with the war cry:

Who is like God! Nobody is like God!
