

2018 **Now & Then** 2019 Hide & Seek

This is the eighth in a series articles pertaining to the forthcoming changes to the Rules that will come into effect on January 1, 2019. “Now” represents the Rules as they currently exist, and “Then” represents the Rules as they will be next year. Regulating how the Game is played is not changing all that much, so how in the world are we condensing 34 Rules (“Now”) into only 24 Rules (“Then”)? This installment “Now & Then” is a first attempt to find where all of the current Rules are “hiding” within the new Rules.
