League Name Par Tee Golf Center

For Ages 6 - 13 All Skill Levels

The PGA Junior League is designed to better socialize the game of golf for Juniors, 13 and under, by creating a "little league" approach to golf. Children will play a scramble (captain's choice) format and will be paired with another player. They will compete against other teams and earn flags (points) for winning 3-hole segments in the 9-hole match.

Participants will have a chance to compete on an All-Star Team (10 Players) that will travel to a Local and State Championship. All-Star Teams that advance at the State Level, will advance to a Regional Final and possibly to a National Championship. Participants for the All-Star Team will be chosen based on qualifying scores throughout the year. The Par Tee All-Star Teams have been the most successful teams in South Carolina, enjoying trips to the Regional and National Finals from 2013-2017.

Developmental Team – Players will play from yardage appropriate tees to help them develop their scoring ability playing a captain's choice format.

Competitive Team – These players will have to play from the forward tees, and need to have intermediate to advanced skills on the golf course.

May 18th @ 5:30pm

**Orientation and Play
at Par Tee Golf Center**

**League Matches
(Tee off at 5:30 PM)**

June 2nd – Columbia CC
