**For Ages 6 – 13 All Skill Levels**

The PGA Junior League is designed to better socialize the game of golf for Juniors, 13 and under, by creating a “little league” approach to golf. Children will play a scramble (captain’s choice) format and will be paired with another player. They will compete against other teams and earn flags (points) for winning 3-hole segments in the 9-hole match.

Participants will have a chance to compete on an All-Star Team (8-10 Players) that will travel to a Local and State Championship. All-Star Teams that advance at the State Level, will advance to a Regional Final and possibly to a National Championship. Participants for the All-Star Team will be chosen based on qualifying scores throughout the year. The Par Tee All-Star Teams have been the most successful teams in South Carolina, enjoying trips to the Regional and National Finals from 2013-2022.

**Developmental Team** – Players will play from yardage appropriate tees to help them develop their scoring ability playing a captain’s choice format.

**Competitive Team** – These players will have to play from the forward tees, and need to have intermediate to advanced skills on the golf course.

**All-Star Team** – Players ages 10-13 are eligible for the All-Star Team. The PGA Junior League All-Star Team will compete in PGA Junior League “Post-Season Play.” Coaches will select an All-Star Team. Qualifiers may be used to determine spots on the All-Star Team.

**May 20<sup>th</sup> @ 5:00pm**  
**New Player Orientation**  
**at Par Tee Golf Center**

**Wednesday, May 24<sup>th</sup> – Instructional Clinic (Optional)**
