

# The Yankee Jack Russell Terrier Network

This year's trials are being held in Honor of Bob & Genie Franklin, two of the founders of the club and it's backbone for all these years.

### **A Jack Russell Journey with the Franklins**

The passion started with a puddin. We discovered terrier trials and my husband said "If you want to do this, you need better dogs" and the search was on. Having purchased a JRTCA puppy from a breeder in Jonesboro, TN we traveled to our first National in 1997 to compete in racing and conformation. While at the event, a mutual friend excitingly approached us about a dog Bob had for sale. The dog was Farmcliff Donny. He was whelped on 3/24/95 and already had a successful trial carrier which included winning the JRTCC under 12 1/2 racing championship besides numerous local placements for racing and GTG. Besides racing, Genie had started Donny in agility.

A deal was struck and Donny became ours in October 1997. Along with the dog came a friendship with the Franklin's that has continued for 26 years. Bob was always there to answer our questions about racing, GTG, hunting or anything else a newbie might ask. He was always patient to help us understand this complex breed. One of the most stupid questions we sent to Bob was "How was Donny with Cats?" Genie was a wealth of knowledge regarding agility and supported my fibril attempt to run Donny.

Over the years we acquired some great terriers from the Franklin's, notably, Northgate Hayden and Farmcliff Bubba.

Bob and Genie would stay with us when they went to the Tennessee Terrier Olympics and I stayed with them on several occasions.

We will always cherish the kindness and friendship Bob and Genie have bestowed on us over the years and hope it continues on for many years.

The first I learned of Bob Franklin was when I got my very first Jack Russell, Mitzie. We were practicing racing puppies in Pat Comb and Mary Webb's backyard. We were using a fishing pole as a lure. The puppies very quickly could run faster than I could reel in that fishing pole so my husband, Sam, built a lure machine for us to use for racing. Then I needed to figure out how to set up a racetrack. I went online to look up information and found an article written by Bob Franklin with instructions on how to set up a racetrack - everything I needed to know.

I think it was the following year that my husband bought me a lure machine and all of the equipment needed to set up a lure course. Lisa Skjoria and I contacted Susan Travaglini to see if we could run the lure at one of her Breezewood trials. It would be at Susan's trials that I would

actually meet Bob Franklin. Because he had such a reputation, I was a little intimidated by him. However, I soon learned that if I would just listen, he had a lot of very good advice for me.

Years later, when I ended up hospitalized with a broken ankle at a trial in Connecticut, Bob Franklin and the Benoit's went out of their way to help Sam and I get through all that and back home. Later Susan would let me know that Bob had even offered to help me run the lure coursing at Breezewood if I needed it.

I first met Bob and Genie almost 25 yrs. ago at a terrier trial on Long Island, NY. I had a tall bitch named Quitealot Daisy who was bred by a veterinarian at Belmont Park. I had no clue how this whole trial thing worked. In Daisy's first ever race she finished dead last. Bob had a bitch in the race, who probably won, Farmcliff Peggy. After the race Bob called me over and said, "Your dog might run faster if you took a little weight off of her." I did just that and Daisy and Peggy had a rivalry that lasted years.

I always knew I wanted a Farmcliff dog, and when Noah became available because he was deaf in one ear and couldn't be bred I jumped on the chance. I finally had my Farmcliff. As Noah aged, he lived for 17 1/2 years, I saw a posting that Bob and Genie just had a litter of pups and should be great performance dogs. The parents were Hillside Rags and Farmcliff Bria. I had to have another Farmcliff. So the whole family came with me to get our new pup, Farmcliff Uno. The posting was spot on and he is a great performance dog winning or placing in many racing and lure championships.

At Northgate the following year, with Bria in her arms Genie told me Bria was pregnant again. I immediately said I want in. At their Funday weeks later Jaylen, my grandson, and I made our pick of the litter, Farmcliff Sage.

I can't thank Bob and Genie enough for all the help and memories they have given me through the years.

With much love always,

Debra Cedano and my Farmcliff's Noah, Uno and Sage!

### The BEST of the Best!

How many of us can say they have friends that have actually shaped their lives? The Franklin's have greatly influenced my life and the lives of many others.

Bob & Genie have opened their home for years hosting 'Farmcliff Fun Days' strategically scheduled to coincide with upcoming JRTCA trials and events. The fun days were held at least three times a year with the price of admission being a covered dish or desserts to be shared at the lunchtime break after a morning of racing terriers. After lunch luring runs were open to all, followed by go-to-ground practice with more coaching, fine tuning and conditioning of the dogs!

We live life through our dogs and the comradity made by participating in these events has allowed us to share experiences and make new friends with others having the same interest and enjoyment of their beloved little white dogs.

Many Thanks Bob & Genie for the mentoring and knowledge bestowed as a result of your kindness.

Erle & Cheryl Brewer

Many thanks to Bob & Genie for all the guidance and friendship you have given to so many over the years!

**Exhibitors and owners of terriers must be current JRTCA members.  
These trials are sanctioned by the JRTCA.**

## GENERAL RULES

1. All sanctioned classes are open to Jack Russell Terriers only.
2. Exhibitors and owners of terriers entered must be current JRTCA members and must not be a member of a conflicting JRT organization or register their JRTs in any all-breed registry or conflicting JRT organization. If an exhibitor is found to be in violation of this policy, entry will be disqualified and no refunds will be given. If a violation is confirmed after the trial, placements will be voided from all JRTCA records. Exhibitors must submit a completed entry form including a signed waiver for every trial they enter.
3. Entries must be within the 10-15 inch JRTCA height standard for all sanctioned classes (with the exception of pups who have not yet met the 10 inch height standard); measuring devices will be available on the trial grounds.
4. Puppies (under 12 months) are not eligible for championship in any division but their own. Puppies are eligible to compete only if they have reached their four-month birthday (NOT 16 weeks). A puppy's age is the actual age on the day of the trial.
5. Bitches in season may not compete in any division. Pre-entry fees of bitches in season will be refunded with a veterinarian certificate or as otherwise agreed upon by the Trial Administrator.
6. Spayed or neutered terriers may compete in the Miscellaneous Conformation Section only. They may not compete in Puppy, Family\*, Open, or Working Conformation. **\*Note:** For Family Classes, Brood Bitches and Stud Dogs entered may not be spayed / neutered. The offspring at their sides may be intact or spayed/neutered.
7. A terrier bred by a sanctioned JRTCA Judge may not be shown under that Judge in the Conformation division.
8. Terriers owned or co-owned by the Trial Chairperson or any member of their household may not be entered in any phase of the competition with the exception of Child and Youth Handling.
9. Terriers owned by judges may not be entered in the division in which they are judging but may enter the competition in any other division.
10. Terriers owned by stewards may be entered in any division provided that they find a substitute to perform their duties or have someone else show their terriers.
11. Requests for the measurement of a terrier entered in any class number may be made only by another exhibitor in that same class number or by the Judge EXCEPT in Racing. Requests for the measurement of a terrier in Racing may be made by the Judge or by an exhibitor with a terrier entered in the same class number; OR, if classes are split by gender, may call for a measurement of a terrier of the opposite gender in the same age and height category. (Example: The owner of an under adult dog entered in Racing may call for the measurement of an under adult bitch as the potential exists for them to race each other in the Championship Races.) Exhibitors racing puppies may call for the measurement of a puppy in a different age category as long as it is in the same height category. The person making the request for measurement must name the terrier or terriers they wish to have measured, but requests for measurement of the entire class will not be honored. The measurement of the terrier will be considered the terrier's official height for the duration of the trial. Only JRTCA height cards issues after September 1999 will be honored.
12. Excessive use of squeaky or fur-like baiting devices by exhibitors is prohibited in the Conformation ring and may result in the exhibitor being excused from the class. "Excessive use" will be at the Judge's discretion.
13. Exhibitors participating in the JRTCA Working Terrier Classes, Certificate Go-To-Ground or Super Earth must submit the appropriate JRTCA certificates with pre-entries or at the time of post

entry. The Judge may require a copy of the certificate be presented to the ring/den steward at the time of judging. Registered terriers may submit a copy of NHC certificate signed by a JRTCA Working Judge within 30 days of the date it was issued.

14. Puppies under the age of three months are not permitted on the trial grounds. Any person violating this rule will be excused from all classes entered and asked to leave the trial site. (This applies to RV's or campers, if at the same address as the trial grounds). 01/22
15. All dogs must be leashed or crated except when competition requires off-leash work. No liberty leashes allowed.
16. Overly aggressive dogs or an owner's failure to control his dog may result in disqualification at the discretion of the Judges or the National Trial Administrator.
17. The abuse or severe disciplining of dogs on the trial grounds is prohibited. Anyone displaying such behavior will be asked to leave the trial site, and no entry fees will be refunded.
18. Dogs other than JRTs on the grounds may be excluded or permitted at the discretion of the Trial Administrator.
19. Exhibitors are responsible to be on time for classes entered. **No refunds will be given for missed classes.**
20. The owner/handler of a terrier entering any class does so at his/her own risk and agrees to abide by the rules of the JRTCA and the trial. A copy of the JRTCA Rule Book can be obtained by contacting the JRTCA office (410-561-3655) or it can be downloaded from the JRTCA website ([www.terrier.com](http://www.terrier.com))
21. Unsportsmanlike conduct, or the use of foul and abusive language, will not be tolerated. Anyone demonstrating such conduct will be asked to leave the trial site and no entry fees will be refunded. In addition, such conduct will be subject to penalties, which may include the suspension of membership, restriction from entering the JRTCA National Trial, and/or fines. Trial Chairpersons have the right to refuse any entry at their sole and absolute discretion.
22. All dogs brought to JRTCA Sanctioned Trials must be current on vaccinations. No dogs of any age may be brought to a trial who have suspicion of contagious or infectious disease.
23. Judges may not eat, smoke, or use cell phones while at their events. (01/22)

## **Class List**

### **Division A. Racing**

#### **Racing Rules:**

1. SAFETY FIRST: ALL TERRIERS MUST BE MUZZLED! Plastic muzzle or close-ended cloth muzzles only. No figure eight or open-ended muzzles will be allowed. COLORED BASKET AND COLORED SOFTIE MUZZLES ARE NOT ALLOWED. Black, brown, clear, or white muzzles are acceptable. Baskerville muzzles are not allowed. (01/22)
2. Good sportsmanship is encouraged and expected. Poor sportsmanship will not be tolerated. (01/22)
3. QUALIFICATIONS FOR CHAMPIONSHIP RUN OFFS
  - A. A terrier MUST ENTER AND FINISH in both, at least one flat race AND one hurdle race at the beginning level based on trial entries (heat, semi, final).
  - B. A terrier must continue to advance, if qualified, to all additional semi-final heats up to the final championship race. If injured, the terrier is then finished and cannot race in the final.
  - C. A FINISHED race is when the terrier runs down the track unassisted (by owner or anyone else) with a secured muzzle to the backside of the barrier.
  - D. Terrier must place first in a flat or hurdle final to qualify for championship run offs. First to the hole is not necessarily first thru the backside of the barrier. (01/22)
  - E. In the event a terrier does not meet all the above criteria, the second place terrier in the final of that class (either flats or hurdles) will qualify for the championship run off if they meet the criteria as outlined above. (01/20)
4. **GENERAL RACING PROCESS**
  - A. Exhibitors must have entries ready to race, be aware of their classes, and be ready when called. In the event a heat is missed, permission to run in a later heat is granted at the discretion of the racing judge or steward. There are no refunds for missed classes.
  - B. Once entries are loaded into the starting box, all handlers shall proceed to the finish line/catch area and be ready to receive their terriers. No one may enter the racetrack during a race to assist a terrier across the finish line, any violation of this would result in the terrier being assisted disqualified from the race and thus not considered as finishing that race. If a terrier has not completed the race -AND IS CONSIDERED TO BE NEW (NEWBIE) AT RACING, IT IS AT THE JUDGES DISCRETION TO ALLOW THE HANDLER TO ASSIST THE TERRIER TO FINISH THE RACE. PLACEMENT, IF ANY, IS THE JUDGES DECISION. THIS DOES NOT PERTAIN TO THE PUPPY CLASSES. (01/22)
  - C. Puppy and Senior hurdles must be run over LOW hurdles.
  - D. Adult terriers MAY NOT CROSS ENTER between Adult, Veteran and Senior Racing classes.
  - E. Once the Racing Division has started, NO requests for height measurement will be honored. Any pre-race height request must be completed by a current standing Conformation judge.
5. **RERUNS** A. In the event of a lure malfunction that alters the forward motion of the race the race will be rerun (lure is caught by a terrier, lure stops, lure gets caught on a hurdle, lure flies off the track) B. At the discretion of the racing judge for any reason
6. **DISQUALIFICATION**
  - A. In a flat or hurdle race, any entry going around the jumps or jumping out of the racetrack or not wearing a secured muzzle will be disqualified from the race and therefore shown as not finishing that race.
  - B. Any terrier engaged in fighting shall be disqualified by the Racing Judge from any further racing during the trial. No refund will be given.

## 7. CATCH PEN ETIQUETTE

- A. No smoking is allowed in the catch pen or start area.
