Class List

Division A. Racing

Racing Rules:

1. SAFETY FIRST: ALL TERRIERS MUST BE MUZZLED! Plastic muzzle or close-ended cloth muzzles only. No figure eight or open-ended muzzles will be allowed. COLORED BASKET AND COLORED SOFTIE MUZZLES ARE NOT ALLOWED. Black, brown, clear, or white muzzles are acceptable. Baskerville muzzles are not allowed. (01/22)
2. Good sportsmanship is encouraged and expected. Poor sportsmanship will not be tolerated. (01/22)
3. QUALIFICATIONS FOR CHAMPIONSHIP RUN OFFS
 - A. A terrier MUST ENTER AND FINISH in both, at least one flat race AND one hurdle race at the beginning level based on trial entries (heat, semi, final).
 - B. A terrier must continue to advance, if qualified, to all additional semi-final heats up to the final championship race. If injured, the terrier is then finished and cannot race in the final.
 - C. A FINISHED race is when the terrier runs down the track unassisted (by owner or anyone else) with a secured muzzle to the backside of the barrier.
 - D. Terrier must place first in a flat or hurdle final to qualify for championship run offs. First to the hole is not necessarily first thru the backside of the barrier. (01/22)
 - E. In the event a terrier does not meet all the above criteria, the second place terrier in the final of that class (either flats or hurdles) will qualify for the championship run off if they meet the criteria as outlined above. (01/20)

4. GENERAL RACING PROCESS

A. Exhibitors must have entries ready to race, be aware of their classes, and be ready when called. In the event a heat is missed, permission to run in a later heat is granted at the discretion of the racing judge or steward. There are no refunds for missed classes.

B. Once entries are loaded into the starting box, all handlers shall proceed to the finish line/catch area and be ready to receive their terriers. No one may enter the racetrack during a race to assist a terrier across the finish line, any violation of this would result in the terrier being assisted disqualified from the race and thus not considered as finishing that race. If a terrier has not completed the race -AND IS CONSIDERED TO BE NEW (NEWBIE) AT RACING, IT IS AT THE JUDGES DISCRETION TO ALLOW THE HANDLER TO ASSIST THE TERRIER TO FINISH THE RACE. PLACEMENT, IF ANY, IS THE JUDGES DECISION. THIS DOES NOT PERTAIN TO THE PUPPY CLASSES. (01/22)

C. Puppy and Senior hurdles must be run over LOW hurdles.

D. Adult terriers MAY NOT CROSS ENTER between Adult, Veteran and Senior Racing classes.

E. Once the Racing Division has started, NO requests for height measurement will be honored. Any pre-race height request must be completed by a current standing Conformation judge.

5. **RERUNS** A. In the event of a lure malfunction that alters the forward motion of the race the race will be rerun (lure is caught by a terrier, lure stops, lure gets caught on a hurdle, lure flies off the track) B. At the discretion of the racing judge for any reason

6. DISQUALIFICATION

A. In a flat or hurdle race, any entry going around the jumps or jumping out of the racetrack or not wearing a secured muzzle will be disqualified from the race and therefore shown as not finishing that race.

B. Any terrier engaged in fighting shall be disqualified by the Racing Judge from any further racing during the trial. No refund will be given.

7. CATCH PEN ETIQUETTE

A. No smoking or vaping allowed in the catch pen or start area.

B. No cell phone calls accepted or made in the catch pen
