

# New Anatomy for Healers®

## For Experienced Energy Healers

**Level 1--- Hartley Mansion, Everett, WA March 21 – 22, 2019**

This unique hands-on approach **integrates the knowledge of anatomy with the energy systems of the body.** It is appropriate for **advanced energy healers** who are new to anatomy as well as for nurses and others who have studied conventional anatomy. Incorporating curriculum from a variety of energy medicine therapies, such as Healing Touch, the **New Anatomy for Healers course introduces energy techniques for the 11 body systems.** Six systems, Skin, Muscular, Skeletal, Digestive, Cardiovascular and Respiratory Systems will be covered in Level 1. The Endocrine, Nervous, Lymphatic/Immune, Urinary and Reproductive systems will be covered in the Level 2 workshop. In addition, we have a good time interacting with other healers while sharing the miracle of the human body! Come join in, embrace your healing, and enhance your energy medicine practice!

### **Content:**

- The structure, function, location and identification of major organ systems of the body
- Interactive energy exercises.
- Many advanced energy healing techniques.

### **Teaching methods include:**

- Lecture • Notebook • Audio/Visuals
- Body Puzzle • Skeleton and Torso
- Experiential exercises

### **Educational Prerequisite:**

Level 3 of Healing Touch, or similar energy therapy education *with permission of instructor.*

### **Objectives:**

- To describe and locate these six systems of the human body: skin, musculoskeletal, digestive, respiratory, and cardiovascular system.
- To energetically palpate abdominal organs.
- To demonstrate advanced energy healing techniques for each of the above systems.
- To apply the knowledge of these specific energy protocols for the treatment of illness

### **Suggested:** (not required)

- Students purchase an Anatomy book for reference. Such as: The Complete Human Body Book, Dr. Alice Roberts, and or the APP: Visible Body, on your cell phone.

All students will receive a Certificate of Completion Provider approved by the California Board of Registered Nursing, Provider number CEP-3285, for 18 contact hours credit. Available for those needing CEU's

*“If you know energy, you need to know the physical body. If you know the physical body, you need to know energy. If you know them both, you need to know how to put them together in an energy medicine practice.”*  
*Sue Hovland, founder of Anatomy for Healers*

### **Class Instructor...** Anna Marie Newman, RN, BSN, LMT, HTCP/I.

Anna Marie's experience in multiple nursing roles, (especially the operating room), as a massage therapist and as an energy worker, brings new learning and connections not seen in other anatomy workshops. She brings the aspects of energy and anatomy together in a way that is informative and entertaining. Making the learning of how the body is put together and how it works into a fun and interesting event.

Currently, she is a Healing Touch Certified Practitioner/Instructor with training in many other modalities. She teaches Levels 1,2 & 3 Healing Touch and Anatomy for Healers®. Bringing together her experience and training provides an experiential hands-on workshop that will enrich you and your healing practice in amazing ways.
