

Mi Casa Business Graduates Catering Referral List

Mi Casa Resource Center® **supports entrepreneurs through all stages of business development**, helping them explore, launch, and grow their business through bilingual consulting and in-depth training.

In 2019, Mi Casa launched La Receta®, a mobile-food business accelerator program to provide our nationally-recognized small business development programming with a focus on small businesses in the food industry.

By supporting Mi Casa food businesses who have graduated from our programs, including La Receta®, **you are helping these entrepreneurs grow their businesses** so they can sustain their families, create community wealth, and contribute to Colorado's vibrant economy.
