

MARK BROWN

MUSICIAN

Mark Brown is a very versatile artist with a sound of his own blending raw passion with infectious beats. He makes bold calculated decisions with his approach on every record that usually leaves listeners in awe. Born and raised on the Nawsides of Houston, Tx, gave Mark Brown his grit and determination. He was inspired by his older brother's which lead him down the path of rapping. With a mix of pain, motivation, and complexed catchy hooks, Mark Brown creates music that resonates with both the streets and the mainstream. With a new project dropping soon and a growing fanbase, Mark Brown is poised to kill the game!

FUTURE PROJECT

Love In Another Life

Mark Brown unveils a bold new chapter with "Love In Another Life"—a melodic blend of R&B and rap that reveals a more emotional, introspective side of his artistry. Known for his lyrical grit, Mark shifts gears to explore themes of love, growth, and vulnerability, showcasing his songwriting and vocal range like never before. This project highlights his versatility and marks a powerful evolution in his sound.
